MESSRS. BARNARD & CO.

Respectfully request that future communications may be addressed to their enlarged premises as above, where their foreign business will in future be carried on.

They beg also to invite the attention of Traders, Regimental and other Institutions, and British Residents generally—not at present doing business with them—to their system by which they

„ Books Second-hand from any Catalogue without charge for buying.

„ **Periodicals** at published prices *Carriage free* (by P. & O. Post) to any part or India, or (if desired) *viâ* Brindisi, on same terms as new Books.

„ **Newspapers** with the utmost regularity at the published price and postage actually paid out, and without any other charge whatever.

„ **Wines** and **Spirits** of their own importation, and from their own Bonded Stocks, or of any brands that may be desired at London Market prices.

„ **Watches** of their own manufacture, warranted equal to those of any first-class London maker at very much lower prices than are usually charged; also Geneva and other Watches carefully selected as may be desired.

" Stationery, Provisions, Medicines, Textiles, Clothing, Hardware, Furniture, Jewellery, Musical Instruments, &c., at the lowest London rates.

Subscription and Price Lists forwarded on application without charge. Goods of all descriptions bought to Order on the best terms from any Manufacturer that may be desired.

Barnard & Co. can especially recommend their first-class London-made Lever Watch with Jewelled Movement, and *Gold* Balance specially adjusted and manufactured expressly for their Foreign Trade. Fitted with Extra Hands, Mainspring and Glass, in sizes suitable for Ladies or Gentlemen.

„ Gold „ „ „ (Ladies' Size) ...	9	5	0
„ „ „ „ „ (Gentlemen's Size) ...	10	10	0
„ „ „ (Hunting Cases according to Size)	£11 to 12	10	0

These Watches are warranted to perform accurately in any Climate, and to be equal to Lever Watches manufactured by any other London house.

(In ordering please specify if Cases to be Engraved or Engine-turned).

Messrs. BARNARD & CO. place the Indian or Colonial cash buyer in the same position as though he were purchasing in London at the best establishments, and on the best terms.

Price Lists of Periodical and Newspaper Subscriptions, Wines, Spirits and Watches are published. As to Jewellery, Provisions and most miscellaneous requirements, detailed Lists showing prices are usually delusive to the buyer, as it is impracticable within postal limits of weight to describe all kinds of goods and varieties of quality. It is easy to offer low quotations with quality to correspond, but such goods are seldom satisfactory to the buyer. Prices also (first hand) are constantly fluctuating, and a detailed Price List must be constructed with a large margin of profit to cover possible advance in the price of goods. Messrs. Barnard & Co., on the other hand, undertake to ship any supplies that may be ordered of or through them for cash, at the very best and lowest prices that a London buyer can obtain.

Cheques to be crossed "IMPERIAL BANK, LOTHBURY."

Money Orders payable in London, and crossed "IMPERIAL BANK."

Prince Edward takes this opportunity of expressing his entire satisfaction at the manner in which the removal was carried out, which reflects the highest credit on Messrs. Curtis & Sons. Everything arrived safe and in good order, and the price charged was exceedingly reasonable."

From MAJOR W. LASCELLES, Rifle Brigade, Dep.-Assistant Adjutant-General.

"I can testify to the very satisfactory manner in which Messrs. Curtiss & Co., Carriers and Shipping Agents, have always carried out arrangements for forwarding Officers' baggage for embarkation in the various Troopships, and for disposing of baggage brought home from abroad. Messrs. Curtiss have published a very useful little Time-table, containing all the information required by Officers embarking, on the subject of baggage, &c., which I can recommend.

This Agency offers advantages which, it is hoped, will be appreciated by Officers of the Army and Navy, Civil Service, and others, at home and abroad, who wish to have their business matters transacted at a very small cost by experienced persons, devoting their time and attention to the interests of their clients.

Mr. R. D. Fyers (who for some years filled the position of Secretary to the Junior Army and Navy Club, and until very recently to the Oriental Club) has acquired great experience as to the requirements of Officers and Gentlemen of the Civil Service of India and the Colonies. He will personally superintend the business, and will himself carry out the wishes of those who entrust the Agency with their orders.

Arrangements have been made with Wholesale Houses and other firms of standing for the purchase and sale of goods, property, &c., and for the transaction of every species of business at the lowest possible rates.

OBJECTS OF THE AGENCY.

To purchase and forward any goods ordered to any part of the world.
To draw pay, salaries, pensions, emoluments, &c., of Officers of the Army, Navy, and Reserve Forces, of Members of the Civil Service, and pensions and allowances to Ladies, &c., free of charge.
To arrange exchanges among Officers of the Army and Reserve Forces.
To obtain passages to or from any part desired free of charge.
To meet and assist Invalids, Ladies, or Children on arrival at ports of disembarkation.
To obtain the best legal advice, and to have leases, wills, mortgages, and other deeds drawn.
To pay and to receive legacies.
To have any property bought or sold.
To advise on the selection of Schools and Homes for Children, and to make all arrangements connected with their welfare.
To dispose of consignments from abroad as may be directed.
To buy and sell Stock and Shares of every description.
To arrange for freight and insurance.
To effect Life and Fire Insurances, and pay premiums thereon.
To pay Club or other Subscriptions.
To procure lodgings and furnished and unfurnished houses.
To provide stabling, buy or sell horses, carriages, or any other requirements for the field, the chase, or the turf.
To give clients the advantage of banking and drawing cheques for small sums, free of charge.
To allow interest on deposit accounts over £50, and to remit moneys and carry out instructions for the disposal of balances.
Ladies will have the same privileges as gentlemen, and a lady has been engaged to take their orders, and to answer letters and execute commissions. Such orders should be addressed to the Ladies' Department of the Agency.

SPECIAL ADVANTAGES.—There will be no charge for engaging passages; for drawing pay, salary, pensions, &c.; for buying or selling Stocks and Shares, beyond the ordinary brokerage; for keeping banking accounts, however small.

Clients will have the advantage of discounts of all the best wholesale houses, and the prices will be quite as low as those of the Co-operative Stores.

Ladies and gentlemen can at once open an account with this Agency by forwarding a remittance. They are requested to state whether a cheque-book is required, and to favour the Firm with their orders.

The Office is in direct telephonic communication with the Stock Exchange.

The self-acting telegraph, giving the latest intelligence of Stocks and Shares, is available or clients in a private room.

HALF-CREDIT SYSTEM,

Applicable only to With-Bonus Policies for the Whole Term of Life (TABLE A), *and to Lives not exceeding* 60 *years of age.*

Under this system, one-half the Premium only is payable during the first 5, 7, or 14 years, in the option of the Assured; the other half-premium remains a charge against the Policy, bearing 5 per cent. interest, payable in advance.

The arrears of half-premium may be paid off at any time, or be deducted from the sum assured when the claim arises, or from the Office Value in case of surrender.

This system offers the advantage of a low Premium during the early years of life, and thus enables an Assurer to open a Policy for a larger amount than could be obtained under the ordinary terms.

CLARIONETS—OLD & NEW SYSTEMS,

EBONITE CLARIONETS FOR HOT CLIMATES.

The difficulty there is in preventing cocoa-wood from cracking in hot climates has induced Messrs. Rudall, Carte & Co. to turn their attention to the manufacture of Clarionets in Ebonite, or Vulcanized Indiarubber, which they have been for some time using for the new system Flutes with the most satisfactory results.

This material has no grain, and is impervious to moisture. *It can therefore neither warp nor crack*, and is consequently eminently suitable for the instrument. One of the great troubles of Clarionet-players is the necessity there is for frequently having the mouth piece relaid in consequence of the moisture of the mouth having destroyed the "lay." This is practically done away with.

The Clarionets in Ebonite which have been made to order for professional men, &c., now and then during the last few years have been a decided success both in tone and durability; and the reason that it has not been brought forward before has been the difficulty of working the material. This has been overcome, and experience has shown the Ebonite Clarionets to be durable, free from the danger of cracking, and beautiful in tone; there is no doubt that they will now carry all before them.

The price of the Ebonite Clarionets in A, B flat, C, or E flat, with thirteen German silver keys and rings, is £8 8s.

"Your UNRIVALLED PIANOFORTES have once more done full justice to their WORLD-WIDE REPUTATION."—RUBINSTEIN.

STEINWAY & SONS'

UPRIGHT GRAND PIANOFORTE,

HEIGHT 4 FEET 6 INCHES.

With the Patent Cupola Frame constructed of Solid Steel (as in the Steinway Horizontal Grand Pianofortes) cast in the Steinway Foundries; Patent Overstrung Scaling and Patent extra Harmonic Scale; Patent Sound-Board Resonator; Patent Ring-Bridge; Patent Repetition Action and Patent Metallic Action-Frame; Patent Indestructible Hammers; Graduating Soft Pedal Cased in Metal; Three Strings to Each Note; Seven Octaves, &c.

PRICE 105 GUINEAS.

Every one, probably, has heard something of the Steinway Inventions and Improvements, which have both revolutionized the construction of the Pianoforte, and rendered the Steinway Instruments **the most Perfect Pianofortes in the World.**

It need therefore only be mentioned that public opinion throughout civilization has amply recognized their unrivalled merits—the Steinway Instruments having **by far the Largest Annual Sale of any Pianofortes in the World,** as well as a far-reaching renown to which no other pianofortes have ever attained.

The Steinway Grand Pianofortes have an annual sale *greater than that of all the Grand Pianofortes annually manufactured by all the English Makers put together.*

The Steinway Upright Pianofortes (which in respect to their internal construction are really Grand Pianofortes in an Upright form, and have therefore almost nothing in common with the productions of the English makers), *have also a greater annual sale than the Upright Pianofortes of any other maker in the world.*

It will be seen from the brief analysis of the component parts given above—the **Framework** consisting of a **Solid Mass of Steel,** the **Action** cased in **Metal,** the **Hammers** rendered **Humid-Proof** and perfectly **Indestructible,** the **Sound-Board** endowed with **Permanent Elasticity** and **Endurance,** &c.,—that this new model fully maintains that extraordinary standard of STRUCTURAL SOLIDITY and consequent DURABILITY in all climates which is an essential element of all the STEINWAY PIANOFORTES; and which has rendered them *the only Pianofortes in the world that can be guaranteed to withstand the deteriorating influence of an Indian climate.*

The external Case-work is constructed in SOLID MAHOGANY EBONISED so as to extend to the Case-work that high standard of Solidity and Durability which distinguishes the Internal construction of the Instrument, and which is also essential in Pianofortes intended for use in Indian climates.

REGULATIONS FOR THE OPEN COMPETITION OF JUNE, 1883.

N.B.—The Regulations are liable to be altered in future years.

1. On June 1st, 1883, and following days, an Examination, open to all qualified persons, will be held in London (*a*). Not fewer than persons will be selected, if so many shall be found duly qualified; *viz.*, for the Lower Provinces of Bengal (including Assam); for the Upper Provinces of Bengal (including the Punjab and Oudh); for Burma; for Madras, and for Bombay (*b*).

2. No person will be deemed qualified who shall not satisfy the Civil Service Commissioners:—

(i.) That he is a natural-born subject of Her Majesty.

(ii.) That his age will be above seventeen years and under nineteen years on the 1st of January, 1883. [*N.B.—In the case of Natives of India this must be certified by the Government of India or of the Presidency or Province in which the Candidate may have resided.*]

(iii.) That he has no disease, constitutional affection, or bodily infirmity unfitting him, or likely to unfit him, for the Civil Service of India.

(iv.) That he is of good moral character.

(v.) That he has paid the fee of £5, prescribed under the Provisions of the Order in Council of the 22nd March, 1879 (*c*).

3. Should the evidence upon the above points be *primâ facie* satisfactory to the Civil Service Commissioners, the Candidate will be admitted to the Examination. The Commissioners may, however, in their discretion, at any time prior to the grant of the Certificate of Qualification hereinafter referred to, institute such further inquiries as they may deem necessary; and if the result of such inquiries in the case of any Candidate should be unsatisfactory to them in any of the above respects, he will be ineligible for admission to the Civil Service of India; and if already selected, will be removed from the position of a Probationer.

4. The Examination will take place only in the following branches of knowledge:—

	Marks.

6. The marks assigned to Candidates in each branch will be subject to such deduction as the Civil Service Commissioners may deem necessary (*g*), in order to secure that "a Candidate be allowed no credit at all for taking up a subject in which he is a mere smatterer."

7. The Examination will be conducted on paper and *vivâ voce*, as may be deemed necessary.

8. The marks obtained by each Candidate, in respect of each of the subjects in which he shall have been

(*a*) An order for admission to the Examination will be sent to each Candidate on the 18th of May.

(*b*) The numbers will be announced hereafter.

(*c*) The Fee will be £5, payable by means of a special stamp according to instructions which will be communicated to Candidates.

(*d*) A considerable portion of the marks for English History and Literature will be allotted to the work selected by the Candidate. (See Notice on p. vii.) In awarding marks for this, regard will be had partly to the extent and importance of the periods or books selected, but chiefly to the thoroughness with which they have been studied.

(*e*) The Examination will range from Arithmetic, Algebra, and Elementary Geometry, up to the elements of the differential and integral calculus, including the lower portions of applied Mathematics.

(*f*) The standard of marking in Sanskrit and Arabic will be determined with reference to a high degree of proficiency, such as may be expected to be reached by a Native of good education.

(*g*) Marks assigned in English Composition and Mathematics will be subject to no deduction.

examined, will be added up, and the names of the several Candidates who shall have obtained, after the deduction above mentioned, a greater aggregate number of marks than any of the remaining Candidates will be set forth in order of merit, and such Candidates shall be deemed to be Selected Candidates for the Civil Service of India, provided they appear to be in other respects duly qualified. Should any of the Selected Candidates become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled up or not. In the former case, the Candidate next in order of merit, and in other respects duly qualified, shall be deemed to be a Selected Candidate. A Selected Candidate declining to accept the appointment which may be offered to him will be disqualified for any subsequent competition.

9. Selected Candidates, before proceeding to India, will be on probation for two years, during which time they will be examined periodically, with a view of testing their progress in the following subjects:—(*h*)

	Marks.
1. Law	1,250
2. Classical Languages of India— ...	
Sanskrit	500
Arabic	400
Persian	400
3. Vernacular Languages of India (each)	400
4. The History and Geography of India	350

In these Examinations, as in the open competition, the merit of the Candidates examined will be estimated by marks, and the number set opposite to each subject denotes the greatest number of marks that can be obtained in respect of it at any one Examination. The Examination will be conducted on paper and *vivâ voce*, as may be deemed necessary. The last of these Examinations will be held at the close of the second year of probation, and will be called the "Final Examination," at which it will be decided whether a Selected Candidate is qualified for the Civil Service of India. At this Examination Candidates will be permitted to take up any one of the following branches of Natural Science, viz.—Botany, Geology, or Zoology, for which 350 marks will be allowed.

10. Any Candidate who, at any of the periodical Examinations, shall appear to have wilfully neglected his studies, or to be physically incapacitated for pursuing the prescribed course of training, will be liable to have his name removed from the list of Selected Candidates.

11. The Selected Candidates who, at the Final Examination, shall be found to have a competent knowledge of the subjects specified in Regulation 9, and who shall have satisfied the Civil Service Commissioners of their eligibility in respect of nationality, age, health, and character, shall be certified by the said Commissioners to be entitled to be appointed to the Civil Service of India, provided they shall comply with the regulations in force, at the time for that Service.

12. Persons desirous to be admitted as Candidates must apply on Forms, which may be obtained from "The Secretary, Civil Service Commission, London, S.W.," at any time after the 1st December, 1882. The Forms must be returned so as to be received at the Office of the Civil Service Commissioners on or before 31st March, 1883 (*i*).

The Civil Service Commissioners are authorised by the Secretary of State for India in Council to make the following announcements:—

(1.) *Selected Candidates will be permitted to choose according to the order in which they stand in the list resulting from the open competition so long as a choice remains, the Presidency (and in Bengal the Division of the Presidency) to which they shall be appointed, but this choice will be subject to a different arrangement, should the Secretary of State, or the Government of India, deem it necessary (k).*

(2.) *The Probationers, having passed the necessary Examinations, will be required to report their arrival in India, within such period after the grant of their Certificate of Qualification as the Secretary of State may in each case direct.*

(4.) *An allowance amounting to £300 will be given to all Candidates who pass their probation at one of the Universities or Colleges which have been approved by the Secretary of State, viz., the Universities of Oxford, Cambridge, Glasgow, Edinburgh, St. Andrew's, and Aberdeen; Trinity College, Dublin, University College, London, and King's College, London, provided such Candidates shall have passed the required Examinations to the satisfaction of the Civil Service Commissioners, and shall have complied with such rules as may be laid down for the guidance of Selected Candidates.*

(5.) *All Selected Candidates will be required, after having passed the first periodical Examination, and before receiving the first instalment of their allowance, to attend at the India Office for the purpose of entering into an agreement binding themselves, amongst other things, to refund in certain cases the amount of their allowance in the event of their failing to proceed to India. A surety will be required.*

(6.) *After passing the Final Examination, each Candidate will be required to attend again at the India Office, with the view of entering into covenants, by which, amongst other things, they will bind themselves to agree to such Regulations for the provision of pensions for their families as may be approved by the Secretary of State for India in Council. The stamps payable on these covenants amount to £1.*

(7.) *Candidates rejected at the Final Examination of 1885 will in no case be allowed to present themselves for re-examination.*

(*h*) Full instructions as to the course of study to be pursued will be issued to the successful Candidates as soon as possible after the result of the Open Competition is declared.

(*i*) These Forms should be accompanied by evidence on the first four of the points mentioned in Regulation 2, and by a list of the subjects in which the Candidate desires to be examined. Evidence of health and character must bear date not earlier than 1st March, 1883. Applications for leave to alter or add to the list of subjects named will not be entertained unless received on or before the 5th of May.

(*k*) This choice must be exercised immediately after the result of the Open Competition is announced, on such day as may be fixed by the Civil Service Commissioners.

AN ABSTRACT OF THE FIFTH EDITION OF THE CIVIL PENSION AND LEAVE CODES.

PRELIMINARY.

1. No standing order not contained in these Codes should be quoted or trusted in deciding, or submitting for orders, any question affecting Pensions, Leave, or Acting Allowances to Officers engaged in the Civil Administration. If any Officer thinks that any order not embodied in these Codes ought to be revived, he should refer the question, through the proper channel, to the Government of India. Without the special authority of the Government of India, no such order is valid.

DEFINITIONS.

2. In these Codes, unless there be something repugnant in the subject or context—

Absentee means an Officer absent, whether on leave, under suspension, or on duty, from an appointment on which he has a lien.

Accountant General includes "Comptroller General" and "Comptroller." When used in reference to a Public Servant applying for leave, or on leave, "Accountant General" means the Officer who audits the pay and allowances of such Public Servant.

Active Service includes, besides time spent on duty in India—

(*a*) Privilege Leave of Absence.
(*b*) Subsidiary Leave of Absence.
(*c*) Time spent on the voyage to India by an Officer who is recalled to duty before the expiry of any recognized leave out of India, and (if within a year from the date on which he can be spared, the officer takes the unexpired portion of the leave from which he was recalled) the time spent on the return voyage to Europe.
(*d*) And, for purposes of Pension, period of absence from India on duty of an Officer deputed or detained out of India on duty.

In the case of a Chaplain, Active Service includes also—

(*e*) Time passed in India out of employ, but not on leave.

In the case of a Covenanted Civil Servant, not being a Native Civil Servant, Active Service includes also—

(*f*) The interval between the date of an officer's first arrival in India, and the date on which he joins his first appointment.
(*g*) Time passed, out of employ, on Subsistence Allowance, but not on Furlough.
(*h*) Leave of Absence within the limits of the East India Company's Charter, which counted as Service and Residence under the Covenanted Service Leave Rules in force before the 8th June 1855.
(*i*) Leave of Absence on Urgent Private Affairs granted before the 3rd January 1863.

1. Examination Leave of Absence is also Active Service; provided that not more than twelve months of such Leave can be so reckoned to any Officer, and that leave granted under Clauses (*c*) and (*d*) of Rule 1 under Section 76 of the Civil Leave Code is not reckoned as Active Service, unless the Officer passes the Examination for which the Leave is granted.

2. One year of Leave of Absence on Medical Certificate was reckoned as "Residence" under the Covenanted Service Leave Rules in force before the 1st July 1868. This is not reckoned as Active Service.

In the case of a Native Civil Servant, **Active Service** means Active Service in the Covenanted Civil Service, and includes also any period, not exceeding two years, spent on probation in India.

In the case of a Military Officer subject to Civi Rules **Active Service** includes also—

(1) The time spent on duty in India between the dat on which he became subject to the Military Furlough and Leave Rules of 1875, and the date on which he joined his first substantive Civil appointment.
(2) Leave granted under Rule 10 of the Military Furlough and Leave Rules of 1875.
(3) Time passed in India out of employ on Civ Subsistence Allowance, but not on Furlough.

(1) Rule 1, under Clause (*i*) above, applies also to Military Officers subject to Civil Rules.

Appointments are said to be in the same "Class" when they are in the same Department, and bear the same designation, or have been declared by the Government of India to be in the same Class. Appointments in the same Class are sometimes divided into Grades, according to pay.

Average Emoluments for the purposes of pension means the average calculated upon the last five years of service.

1. If, during the last five years of his service, an Officer has been absent from duty on Leave With Allowances, or, having been suspended, has been, under Section 95 of the Civil Pension Code, reinstated without forfeiture of service, his Emoluments, for the purpose of ascertaining the Average, should be taken at what they would have been had he not been absent from duty or suspended: Provided always that his pension must not be increased on account of increase in pay not actually drawn. But if his leave is reckoned as service under Section 93, Rule 2 of the Civil Pension Code, only the allowances actually received during the Leave should be taken into account.

2. If, during the last five years of his service, an Officer has been absent from duty on Leave Without Allowances, not counting for Pension, or in Inferior Service, or suspended under such circumstances that the period of suspension does not count as service, the periods so passed should be disregarded in the calculation of the Average, an equal period before the five years being included.

3. Excepting as provided in Rules 1 and 2, only Emoluments actually received can be included in the calculation. For example, when an Officer is allowed to count time retrospectively towards increase of pay, but does not receive retrospectively the intermediate periodical increments, these intermediate increments are not reckoned in the calculation.

Average Salary.—(I.) For the purposes of Chapter V. of the Civil Leave Code,

means the salary which an Officer has earned during so much of his continuous Active Service as is within the three years preceding the day on which he gives up office: Provided that neither Subsidiary leave, nor any period during which an Officer has been out of employ in India otherwise than as a penalty for misconduct, shall be included in Active Service for the purposes of such calculation; and provided also that the Leave Allowances of an Uncovenanted Officer shall in no case exceed his actual salary when he takes Leave.

(II.) For the purposes of Chapter VI. of the Civil Leave Code,

means the Average Salary for a month, calculated for so much of the three years immediately preceding the day on which a Native Civil Servant gives up Office as he has passed on duty, or on Privilege or Examination Leave. Average Salary in excess of Rs. 1,400 a month is not reckoned, (III.) For the purposes of Chapter X. of the Civil Leave Code,

means the Average Salary for a month, calculated for so much of the three years immediately preceding the day on which the Officer gives up Office as he has passed on Duty, or on Privilege Leave. But whenever an Officer whose appointment is not gazetted takes Leave for not more than one month, or whenever such an Officer's salary is less than Rs.300, his pay (not salary) when he gives up Office is to be taken in lieu of "Average Salary." "Half Average Salary" is always subject to a maximum of Rs. 500 a month if paid in India, and £150 a quarter if paid at the Home Treasury of the Goverment of India. "One Quarter Average Salary" is always subject to a maximum of Rs. 400 a month if paid in India, and £120 a quarter if paid at the Home Treasury. For non-gazetted Officers whose salary is not less than Rs. 300, the minimum of "Half Average Salary" is Rs. 150, and of "One Quarter Average Salary," Rs. 75 a month.

Provided always that the Allowances of an Officer, during Leave shall in no case exceed his actual salary when he takes Leave.

BARRISTER means a practising Barrister of England or Ireland and a practising Member of the Faculty of Advocates of the Court of Session of Scotland. It does not include a person who, though a Barrister, has never practised the profession of Barrister.

CALENDAR MONTH.—Whenever it is necessary to calculate a period in "Calendar Months" the period ends either on the day of the month corresponding with the day before the day on which it begins, or, if there is no such corresponding day in that month, then on the last day of the month.

Examples.

A period of six Calendar Months beginning on the—	*ends on the—*
28th February... ...	... 27th August.
31st March or 1st April	... 30th September.
29th August	... 28th February.
30th August to 1st September	last day of February.

A period of three Calendar Months beginning on the—	
29th November ...	... 28th February.
30th Nov. or 1st Dec.	... last day of February

Note.—See Civil Leave Code, Section 13, and Section 162, Rules 12 and 14. The first day of an Officer's leave is the first day on which he has not charge of his office after noon, and the last day of his leave is the last day on which he has not charge before noon.

CLASS AND GRADE.—(*See* APPOINTMENTS.)

CONSOLIDATED PAY includes Military Pay and Allowances or Staff Corps Pay, which cannot be separately drawn.

CONTINUOUS SERVICE and **CONTINUOUS ACTIVE SERVICE** mean the Service, and Active Service, of an Officer since his last return from Furlough or Extraordinary Leave lasting more than three months; or, if he have not had such Leave, since the beginning of his Active Service. No leave may be included in Continuous Service, except Privilege Leave and Special Leave.

Note.—See Civil Leave Code, Section 162, Rule 10.

1.—Examination Leave may also be included, unless the officer have already had twelve months such Leave, or in the case of Leave granted under Clauses (*c*) and (*d*) of Rule 1 under Section 76 of the Civil Leave Code, unless the Officer have failed to pass the Examination for which the Leave was granted.

COUNT.—(*See* QUALIFY.)

COVENANTED CIVIL SERVANT.—A "Covenanted Civil Servant" is a Member of the Covenanted Civil Service, and includes, except for the purposes of Proviso (3) under Section 16 and Chapter V. of the Civil Leave Code, a Native Civil Servant.

COVENANTED CIVIL SERVICE means the Bengal, Madras, and Bombay Covenanted Civil Services of the Crown.

EMOLUMENTS for the purpose of the Civil Pension Code means the emoluments which the Officer was receiving immediately before his retirement, and include: (1)—Pay; (2)—Personal Allowance; (3)—Fees or Commission, if they are the authorized emoluments of an appointment, and are *in addition* to Pay, and Commission in the case of a Thoogyee: in these cases "Emoluments" means the average earnings of the last six months of service. (4)—Charge Allowance to Signallers in the Telegraph Department; (5)—Bullock Train and Punjab Military Horse Van Dâk Allowances in the Post Office Department; (6)—Allowances attached to a Minor Professorship in a Medical College under the Medical Warrant of 1867; (7)—Allowances attached to a Professorship or Lecturership in a Government institution; (8) — Acting Allowances and allowances drawn by an Officer appointed substantively *pro tempore*, if the *pro tempore* or acting service counts under Section 55 or Section 70, Rule 3, as the case may be.

EXTRAORDINARY LEAVE means Special Furlough granted under Rule 8 of the Military Furlough and Leave Rules of 1875, Leave Without Allowances, granted under Section 133 of the Civil Leave Code, and Leave of Absence from Duty granted otherwise than under the Rules of the Civil Leave Code.

Example.—Leave in extension of the three years admissible under Section 50 of the Civil Leave Code.

FOREIGN SERVICE means service under a Native State, Municipality, Port Trust, Court of Wards, or other body financially independent of the Government of India. Service which is paid from a Local Fund under such circumstances that it does not qualify, is also Foreign Service.

GENERAL REVENUES for the purposes of Pension includes Provincial Revenues and the Revenues of Berar, and, in certain cases, of Mysore. Except in these cases, service in Mysore is "Foreign Service."

GRADE AND CLASS.—(*Se* APPOINTMENTS.)

GRATUITY.—(*See* PENSION.)

LOCAL ALLOWANCE.—A "Local Allowance" is an Allowance not specially declared to be "Pay" or "Salary," given to an Officer in addition to pay or salary, either for duties which do not properly belong to his office, or in consideration of exceptional local circumstances, such as the unhealthiness or expensiveness of the locality or duty, or the specially arduous nature of the work. A Local Allowance is paid in full to the Officer actually present on duty, and is not taken into account in calculating Leave Allowances or Penson. (*But see Section* 14 *and Rule* 10 *under Section* 75, *Civil Leave Code.*)

LOCAL FUND.—When revenue derived from special sources is devoted to special objects, and not to the general purposes of the Administration, whether Imperial or Provincial, the revenue so devoted forms a "Local Fund." An "Incorporated Local Fund" is a Local Fund, the receipts of, and disbursements from, which are incorporated in the Public Accounts. An "Excluded Local Fund" is a Local Fund, the receipts of, and disbursements from, which are not incorporated in the Public Accounts. The following are the excluded Local Funds:

Municipal, Cantonment, Port, Town, and Station Funds, Educational, Dispensary, Hospital and all other Trust or Endowment Funds. Police Remount Funds. The Persian Famine

Relief Fund; the Pooree Pilgrims' Fund; the Barea Tribute Fund: the Bombay Esplanade Fee Fund; the Bombay Cotton Improvement Fund; the Indus Conservancy and Registration Fund; and any other Funds which may be especially classed by the Governor General in Council among the "Excluded Local Funds."

All Military Officers in Civil Employ who entered the Staff Corps or the Indian Medical Service after the 31st December, 1875, are subject to Civil Rules.

"A Military Officer subject to Military Rules" means a Military Commissioned Officer in permanent Civil Employ (not being a Warrant Officer), who is subject to the Military Furlough Rules of 1854 or 1868, or a Warrant Officer. Such an Officer is not included in "an Officer" in the Civil Leave Code. All Military Officers who were in Civil employ on the 30th December, 1875, and have been since continuously in such employ are "subject to Military Rules," excepting any who may have elected the Rules of 1875 before the 7th December, 1877.

PAY AND SALARY.—"Pay" means "Monthly Substantive Pay," and includes for the purpose of calculating Pension the Pay and emoluments which the Officer was receiving immediately before his retirement. For the purposes of Chapter V. of the Civil Leave Code, "Pay" includes also the Subsistence Allowance of a Covenanted Civil Servant, or a Military Officer subject to Civil Rules, who has an officiating, but not a substantive appointment. In the case of Section-writers and Press-servants whose service qualifies under Section 73, it means the average earnings of the last six months of service. "Salary" means the sum of Pay and Acting Allowance or Charge Allowance under Sections 7 and 36 of the Pay and Acting Allowance Code.

1. Personal Allowance is treated, for the purposes of the Civil Leave and Pension Code, as part of an Officer's Substantive Pay.

If an Officer whose whole time is retained for the public service is appointed to hold conjointly with any other Government office, a Minor Professorship under the Medical Warrant of April, 1867, or a Professorship or Lecturership in any Government Institution, the allowances received by him in such appointment are part of his salary.

3. "Salary" does not include House-rent, Tentage, or Travelling Allowances—whether daily, monthly, or yearly; nor does it include Local Allowances.

PROGRESSIVE APPOINTMENT means an appointment, the pay of which is progressive.

PROGRESSIVE PAY is pay which, subject to the good behaviour of an officer, rises, by periodical increments, from a minimum to a maximum.

QUALIFY.—"Qualify" and "Count" mean qualify and count for Pension or Leave of Absence.

RULE OF PROPORTIONS.—When Pension or Leave Allowances are said to be chargeable to several accounts according to the "Rule of Proportions," the meaning is that the charge should be debited to such several accounts in the proportions in which, in the case of Pension, the aggregate pay drawn by the officer during the whole of his qualifying service has been paid from them, or, in the case of Leave Allowances, the aggregate salary drawn by the officer during the portion of his service immediately preceding the beginning of his leave, which is taken into account in calculating the leave granted to him was charged to such several accounts.

The Rules relating to Foreign Service contained in Chapter III., however, apply to the officers thus excepted.

CHAPTER II.

GENERAL RULES.

2. The Government reserves to itself the right of changing the Rules in this Code from time to time at its discretion and of interpreting their meaning. An Officer's claim to pension is governed by the Rules in force at the time when he resigns or is discharged from the service of Government; he is not entitled to concessions withdrawn before, or made after, his resignation or discharge. The general purport of this Rule is inserted by the Secretary of State in all Covenants for Service in India to which he is a party, which contain a promise of pension under the Uncovenanted Service Pension Rules.

3. An Officer may be admitted to pension while absent on leave, whether in or out of India.

4. Fractions of a year are not to be taken into account in calculating any pension admissible to an Officer under any Rule in this Code.

5. A Covenanted Civil Servant is not entitled to any special privileges by reason of his being a Barrister, and an Uncovenanted Officer is not entitled to any special privileges by reason of his being a Barrister, unless, on his first admission to the Service, he is appointed to some office in which the Local Government, with the sanction of the Government of India, has declared it to be necessary to employ a Barrister.

6. A period not exceeding one year of pensionable service is added to the service of any specially deserving Officer who, during employment on Famine Duty in Madras in 1877-78, received no extra allowance for such duty, and whose total salary during such duty did not exceed Rs. 600.

6A. An Officer who was employed under the Military Department in Afghanistan, and who was obliged to take furlough or leave in or out of India in consequence of illness contracted on service, is entitled to reckon as pensionable service the period of his furlough, to the extent of his employment under the Military Department, but not exceeding a maximum of one year. Provided always that no application for this concession shall be entertained unless the sickness was such as to render the absence of the Officer on medical certificate immediately necessary.

CHAPTER III.

FOREIGN SERVICE.

Note.—The Rules in this Chapter apply to all Officers in the service of the British Government.

7. The Rules in Sections 8 and 9 apply to Officers transferred on or after the 14th October, 1871 from qualifying service to Foreign Service, and, as regards the rates of contribution, have effect from the 10th June, 1882. Provided—

(1) That the transfer is made on public grounds, and not only in the private interest of the Officer transferred;
(2) That the Officer is transferred with the consent of the Local Government; and
(3) If he is transferred for service under a Native State upon a salary exceeding Rs. 250, with the consent also of the Government of India in the Foreign Department.

8. (*a*) From every Officer transferred in the manner specified in Section 7, who does not wholly resign the service of the British Government, or who is not, for recorded special and public reasons, exempted from the operation of the Rules in this Chapter, a contribution is levied as follows:—

(A) In the case of a Covenanted Civil Servant;—at the rate of 16$\frac{2}{3}$ per cent. (one-sixth) on the gross salary which he receives from his Foreign employers:
(B) In the case of any other Officer;—at the rate of 14$\frac{2}{7}$ per cent. (one-seventh) on the gross salary which he receives from his Foreign employers: provided always that the contribution from an Uncovenanted Officer shall in no case exceed Rs. 166$\frac{2}{3}$ a month,

that is to say, the Officer receives from his Foreign employers salary fixed in accordance with the Rules of the Public Service for the appointment which he holds or in which he officiates, and, retaining five-sixths or six-sevenths accordingly as he is an Officer of Class (A) or (B), pays one-sixth or one-seventh, as the case may be, to the Government of India.

(*b*) In return for this contribution, the Government accepts the charge for the Officer's Pension and also that for his Absentee Allowances (except on Privilege Leave, when the Government will pay only its share according to the Rule of Proportions, and during which the contribution must be paid in the same manner as if the Officer were on duty), in the same manner and to the same extent as if he were in the Regular Service of the British Government; saving only that the calculation of Pension or Absentee Allowance is based upon the five-sixths or six-sevenths, as the case may be pay which he retains, and not upon the full amount which he receives.

1. No contribution is levied from an Officer who is transferred to Foreign Service for a special temporary duty not lasting more than six months.

9. In addition to his contribution under Section 8 (*b*), a subscriber to the Bengal or Bombay Uncovenanted Service Family Pension Fund must pay to the British Government one-fourth of the premia which he pays to the Fund. This contribution is required to compensate the Public Treasury for the cost of favourable interest paid to the Fund on behalf of the subscriber. In order that he may know and enforce this liability, the Accountant General must ascertain from time to time the premia which are paid to these Funds by each subscriber on Foreign Service.

(i) To the WIDOWS of Pilots married before their husbands retired from the service—

(*b*) If any Pilot whose name is entered in the Schedule,* dies or retires before attaining the rank of Branch Pilot, and before his subscription aggregates Rs. 5,000, his widow's pension will be reduced by one-sixth, *i.e.*, to Rs. 83-5-4 a month, until the deficiency is made up.

(*c*) A wife married to a Pilot after his retirement from active service, and her children, are entitled to no pension. "Retired" and "Retirement" in this section mean "Retired or Retirement on Pension."

46. To entitle widows and orphans to pensions under these Rules, Pilots are to forward to the Port Officer certificates of their marriage, of the births of their children and of their baptism, within one month after the occurrence thereof. Notices of death are in like manner to be forwarded to the Port Officer.

47. No widow who may have been legally divorced or separated from her husband for adultery, or who at the period of her husband's demise may have quitted his protection and be living in a state of notorious adultery, though not divorced or separated from him by law, or who, subsequently to her husband's decease, may be living in a notorious state of incontinence, and no female orphan living in such state, shall be entitled to receive, or continue to receive, any pension under these Rules.

48. If a widow pensioner marries, her pension ceases during her coverture; but, in the event of her again becoming a widow, she shall be re-admitted to the pension to which she was entitled during her first widowhood, unless her second husband shall have been a member of the Pilot Service, and have been at his death of a higher grade than her first husband, in which case she shall be entitled to the pension of the higher rank.

49. Widows, and female orphans above the age of fifteen years, are required to forward to the Accountant-General's office declarations, half-yearly, in May and November, that they are not married, and that they have not been married at any intervening period. The declarations are to be countersigned by the executor to the estate of the deceased member of the Pilot Service, or pensioner, or by the guardian of an orphan, and by a member of the Pilot Service, certifying to the truth of the declaration to the best of their knowledge and belief. Forms of the declaration will be furnished on application to the Accountant-General, Bengal.

49A. The pension of the family of a Pilot who was in the service on the 15th September, 1881, if drawn in England, is paid at the rate of 1s. 11d. the Government rupee. 50. Subscriptions by a Pilot for the purpose of securing Pensions for his wife and children are refunded in the event of his resignation or dismissal.

CHAPTER IX.

UNCOVENANTED OFFICERS.

GENERAL RULES.

51. Pension may not be granted to an Officer whom it is desired to remove for misconduct or inefficiency.

52. A pension (except a pension granted under Section 115) is fixed in rupees and not in sterling money, even though it is to be paid in England.

53. Service which is pensionable under Military Rules does not count; and an Officer who is counting service for Military pension cannot simultaneously count service for Civil pension.

Example.—An Officer of the old Indian Navy in civil employ cannot count his naval service.

54. An officer cannot earn two pensions in the same office at the same time, or by the same continuous service.

Example.—A soldier who obtains his discharge from the Army is not entitled to any pension in the Military Department for the portion of his military service which he will thereupon count as civil service.

55. Two Officers may not simultaneously count service in one office.

56. Pension is not earned by a person whose whole time is not retained for the public service merely because he is paid for work done for the State.

Example.—This Rule applies, among others, to the following Officers:—Advocate-General, Solicitor to Government, Government Pleaders and Law Officers not debarred from private practice, Sheriffs in Presidency Towns, Coroners, Roman Catholic Priests.

57. A Public Servant who holds some other pensionable office earns no pension in respect of an office of the kind mentioned in Section 56, or in respect of duties paid for by a Local Allowance.

58. Service under a covenant which contains no stipulation regarding pension does not qualify, unless the Government of India specially authorises an Officer to count such service.

59. An Officer who is appointed for a limited time only, or for a specified duty on the completion of which he is to be discharged, has no claim to pension

60. The service of a person employed temporarily on monthly wages without specified limit of time or duty does not qualify; but a month's notice of discharge should be given to such a person, and his wages must be paid for any period by which such notice falls short of a month.

61. Service as an Apprentice (excepting (1) at the Central Forest School, in continuation of qualifying service, or (2) as an Engineer Apprentice in the Public Works Department) or, in the Bengal Presidency, as a Supernumerary Assistant Surgeon does not qualify.

62. Unless it be otherwise provided by special Rule or Contract, the service of every Officer begins when he takes charge of the office to which he is first appointed.

Note.—In every covenant with an Officer appointed in England by the Secretary of State, not being a Covenanted Civil Servant or a Civil Engineer or Telegraph Officer educated at the Royal Engineering College, Coopers' Hill, a clause is inserted to the effect that service for Leave and Pension begins only from the date on which the Officer joins his first appointment in India.

63. Except for Compensation Gratuity, Superior Service by an Officer whose age is less than twenty-two years does not qualify. But Officers described in Schedule B, excepting Class III. (2) (*b*), and all Officers appointed in England by the Secretary of State for service in India, are exempt from this disability.

64. (*a*) If an Officer of Class I. in Schedule B lands in India on or before the 1st of December of the year in which he passes out of College, his service counts from the preceding 1st of October, unless another date should be specified in his letter of appointment.

(*b*) If an Officer of Class I. is, after completing his three years' residence at College, required to go through a course of practical engineering in England under a Civil or Mechanical Engineer, his service, unless another date should be specified in his letter of appointment, will reckon from the commencement of the practical course, or from such later date as will be consistent with the regulation that he may count as service towards pension the time spent on such practical course to the extent of one year only.

(*c*) The service of an Officer of Class I. whose case is not provided for in Clause (*b*), and who does not land in India by the said 1st of December, and that of an Officer of Class II. or III. (1) counts from the date on which he landed in India.

(*d*) The service of an Officer appointed to the Telegraph Department after training or competitive examination by the Court of Directors or the Secretary of State begins as follows:—

If appointed by	*Service begins on date of*
Court of Directors . . .	arrival in India.
Secretary of State—	
(*a*) after competitive examination. . . .	covenant.
(*b*) after training at the Royal Engineering College at Coopers' Hill.	embarkation in vessel selected by Secretary of State, or arrival in India by any other vessel.

65. The full pension admissible under the Rules is not to be given as a matter of course, or, unless the service rendered has been really approved.

1. If the service has not been thoroughly satisfactory, the Local Government should make such reduction in the amount of pension as it thinks proper.

QUALIFYING SERVICE.

FIRST CONDITION.—SERVICE UNDER GOVERNMENT.

66. The service of an Officer does not qualify unless he is appointed, and his duties and pay are regulated by the Government, or under conditions determined by the Government.

SECOND CONDITION.—PERMANENT AND SUBSTANTIVE EMPLOY.

70. Service does not qualify unless the Officer holds a Substantive Office on a Permanent Establishment; but, upon such conditions as it may think fit, in each case, to impose, the Government of India may allow temporary service to count for pension, if the pension does not exceed ten rupees a month.

2. Service in an office which, although at first created experimentally, or temporarily, eventually becomes permanent, qualifies; but this rule does not apply to the case of an officer who is entertained temporarily in one appointment and afterwards transferred to another substantive appointment.
3. An officer without a substantive appointment officiating in an office which is vacant, or the permanent incumbent of which does not draw any part of the pay or count service, may, if he is confirmed without interruption in his service, count his officiating service.
4. The service of a probationer who holds a substantive office and draws substantive pay qualifies. So does that of an Officer who is on probation for a substantive office, if he is employed in a vacancy reserved for him, pending probation, and in which no other Officer simultaneously counts service; but the service of an Officer in the Traffic Department of a State Railway before he passes the test examination does not qualify.

THIRD CONDITION.—SOURCE OF REMUNERATION.

76. Service qualifies, or does not qualify, according to the source from which it is paid.

77. Service is paid as follows:—

From the General Revenues.
From Local Funds.
From Funds in respect of which the Government holds the position only of a Trustee.
By Fees levied by Law, or under the authority of the Government.
By Commission.
By the grant, in accordance with Law or Custom of a tenure in land, or of any other source of income, or right to collect money.

78. Service paid from the General Revenues qualifies.

79. Pensions for service paid, wholly or partly, from the Revenues of Berar, and, in certain cases, of Mysore—except in these cases, service in Mysore is "Foreign Service"—are charged to those Provinces wholly, or according to the Rule of Proportions, as the case may be.

Note.—Pensions granted to Officers and men of the Hyderabad Contingent under Military Rules, are charged to the Revenues of Berar by the same Rule.

80. The service of an Officer appointed, controlled, and paid by the Government counts, notwithstanding that the cost of his appointment may be defrayed, wholly or in part, otherwise than from the General Revenues.

81. Except as provided in Sections 82, 83, and 84, service paid from Local Funds does not qualify.

82. Subject to any provisions of law applicable to the case, the Local Government may allow the Trustees, Committee, or Managers of an Incorporated Local Fund to treat service paid therefrom as qualifying.

83. Pensions for service paid from a Local Fund must be paid from the Local Fund.

84. In certain exceptional cases, service paid from Local Funds qualifies.

85. Service paid from funds which Government holds only as a Trustee, such as under a Court of Wards or in an Attached Estate, does not qualify.

86. (*a*) Service in an office paid only by ees whether levied by law or under the authority of Government, or by a commission, does not qualify.

(*b*) Service in an office paid by fees or by commission, in addition to pay from the General Revenues, qualifies.

87. Service paid by the grant, in accordance with law or custom, of a tenure in land, or of any other source of income, or right to collect money, does not qualify.

SUPERIOR SERVICE.

PERIODS OF LEAVE AND SUSPENSION.

92. An Officer belonging to any of the Classes described in Schedule B, except Class III. (2) counts Furlough as service as follows:—

If the service of the Officer is not less than	*He counts as service furlough for*
20 years	2 years
25 "	3 "
30 "	4 "
35 "	5 "

This Section applies specially to Messrs. Brandis, Schlich, and Ribbentrop of the Forest Department.

93. Otherwise time passed on Leave other than Privilege or Subsidiary Leave does not count as Superior Service. Time passed on Leave subsidiary to Leave on Medical Certificate by an Officer who has twice before had Leave on Medical Certificate out of India does not count.

1. This Section applies to Leave on Medical Certificate taken even before 1856, notwithstanding that such Leave was reckoned as Service under the Old Pension Rules of the 4th of January, 1831.

7. The Local Government may commute retrospectively periods of absence without leave into Leave without Allowances.

95. Time passed under Suspension, pending inquiry into conduct, counts, if the suspension is immediately followed by re-instatement. Time passed under suspension adjudged as a specific penalty, does not count.

FORFEITURE OF PAST SERVICE.

96. An interruption in the service of an Officer entails forfeiture of his past service, except in the following cases:—

(*a*) Authorised Leave of Absence.

(*b*) Unauthorised absence in continuation of authorised leave of absence, so long as the office of the Absentee is not substantively filled; if his office is substantively filled, the past service of the Absentee is forfeited:

Provided that, if the Absentee is subsequently reinstated, the Authority whose duty it is to make the appointment, within three months, or, the Local Government, within one year, from the end of the authorised leave of absence, may declare, in an order to be communicated to the Accountant-General, that his previous service, or any part of it, shall not be forfeited.

(*c*) Suspension immediately followed by re-instatement, which need not be to the same office.

(*d*) Abolition of Office.

(*e*) Transfer to non-qualifying service in an establishment under Government control. The transfer must be made by Competent Authority; an Officer who voluntarily resigns Qualifying Service, cannot claim the benefit of this exception. Transfer to a Grant-in-aid school entails forfeiture.

(*f*) Transfer to service on the Household Establishment of the Viceroy.

(*g*) Loss of appointment owing to the Mutiny, provided that the Officer affected cleared his character and was re-appointed as soon as a suitable vacancy was found for him.

(*h*) Transit from on appointment to another, provided that the Officer is transferred under the orders of Competent Authority, or, if he is a Ministerial Officer with the consent of the Head of his old office.

97. Resignation of the Public Service, or removal from it for misconduct, inefficiency, or failure to pass a prescribed examination, entails forfeiture of past service.

1. Resignation of an appointment to take up another appointment service in which counts, is not held to be a resignation of the Public Service.

2. Any authority who, on revision or appeal, reverses an order dismissing an Officer, may declare that the past service of the reinstated Officer counts.

3. An Officer who resigned the Public Service before the 8th June, 1863, if he was a Superior Servant, or before 1st September, 1871, if he was an Inferior Servant, and was re-appointed to the Public Service within twelve months from his resignation, counts his service rendered before resignation. This Rule can be applied to only one resignation.

98. Upon such conditions as it may think fit, in each case, to impose:

(*a*) The Government of India may condone all interruptions in service not exceeding twelve months in all; and the Local Government may condone all interruptions not exceeding three months in all.

(*b*) If the proposed pension does not exceed fifty rupees a month, the Government of India may condone interruptions in service, whatever their duration: and the Local Government may exercise the same power if the pension is a provincial charge; otherwise it may condone interruptions not exceeding twelve months in all.

CONDITIONS OF AWARD OF PENSION.

99. Pensions are of four classes:

Compensation Pensions.
Invalid Pensions.
Superannuation Pensions.
Retiring Pensions.

(1) A Gratuity is paid in a single sum, and not by instalments.

(2) A Gratuity is intended to be less valuable than a pension, and should not be awarded if it is likely to impose upon the State a higher charge than would arise from a pension.

COMPENSATION PENSIONS.

100. A Compensation Pension is awarded to an Officer discharged from the Public Service, because on a reduction of Establishment his appointment is abolished.

INVALID PENSIONS.

102. An Invalid Pension is awarded, on his retirement from the Public Service, to an Officer who, by bodily or mental infirmity, is permanently incapacitated—

(*a*) For the Public Service, or

(*b*) For the particular branch of it to which he belongs.

(1) An Officer discharged on other grounds has no claim under this Section, even although he can produce medical evidence of incapacity for service.

103. If the Officer applying for pension is sixty years old or upwards, no Certificate by a Medical Officer is necessary; it suffices for the Head of the office to certify to the incapacity of the applicant. Otherwise incapacity for service must be established by a Medical Certificate.

105. If the incapacity is the result of irregular or intemperate habits, no pension can be granted. Otherwise, it is for the Local Government to decide whether the Officer's incapacity is such as to render it necessary to admit him to Invalid Pension.

1. An Officer who has submitted a Medical Certificate of incapacity for further service, must not (except for special reasons to be reported to the Local Government) be retained in active service pending a decision on his application for pension, nor can he obtain leave of absence. Without the further special sanction of the Local Government, service after the date of a Medical Certificate does not count for pension. The

object of this Rule is to discourage tentative applications: but an Inferior Servant, or a Police Officer whose pay does not exceed twenty rupees, and who, in the opinion of the Head of his Office, is fit for light work, may be retained in employment till his pension is sanctioned, provided that his place is not filled up till he retires, and that his service counts only to the date of his Medical Certificate.

SUPERANNUATION PENSIONS.

106. A Superannuation Pension is granted to an Officer entitled or compelled, by Rule, to retire at a particular age.

1. An Officer in a Superior Grade who has attained to the age of fifty-five years may be required to retire, unless the Local Government considers him efficient, and permits him to remain in the Service. But, as the premature retirement of an efficient Officer imposes a needless charge on the State, this Rule should be worked with discretion.

2. The Accountant-General will inform the Local Government whenever any Officer attains the age of fifty-five years, in order that the Local Government, being apprised of the fact, may take such action as it sees fit for the retention or otherwise of the Officer in question.

4. If an Officer, whose age is less than sixty years, is required to retire under Rule I., the head of his Office must certify the cause of the applicant's inefficiency. If the Officer wishes to retire of his own accord under Rule 5, the fact should be stated.

5. An Officer in Superior Service, who has attained the age of fifty-five years, may, at his option, retire from the Service on a Superannuation Pension.

6. After the age of fifty-five years, no Military or Naval Officer shall be appointed to a new office in Civil Employment, or shall be permitted to retain any such office which he has held for five years and upwards, except in special cases, which are to be referred for the decision of the Secretary of State. In the Public Works Department the retention of office may, under the special orders of the Government of India in that Department, issued at the time of appointment to the office, be for a less period than five years. The term "office" in this Rule includes an officiating appointment. A Brigade Surgeon, or Surgeon Major, who entered the service on or after the 13th January, 1860, ceases to be in civil employment on attaining the age of 55 years. A Warrant Officer ceases to be in Civil Employ on attaining the age of fifty-five years.

NOTE.—The rule affecting a Warrant Officer takes effect from the 15th September, 1882.

7. Rule 6 should be strictly enforced unless the retirement of any officer should be considered by the Government under which he is serving to be injurious to the public interest.

RETIRING PENSIONS.

107. A Retiring Pension is granted to an Officer who voluntarily retires after completing the requisite period of service.

AMOUNT OF PENSION.

108. The amount of Pension that may be granted is determined by length of service, as set forth in Sections 109, 110, 111, and 112.

(1) An Officer entitled to Pension may not take a Gratuity instead of Pension.

FOR SUPERIOR SERVICE.

109. Compensation and Invalid Pension may be granted for Superior Qualifying Service as follows:—

(*a*) *After a service of less than fifteen years:—*

A Gratuity not exceeding (except in special cases and under the orders of the Government of India) One Month's Emoluments for each completed year of service or twelve months' Emoluments in all. If the Emoluments of the Officer have been reduced during the last five years of his service, otherwise than as a penalty, Average Emoluments may, at the discretion of the Local Government, be substituted for Emoluments.

b) *After a service of not less than fifteen years, but less than twenty-five years:—*

A Pension not exceeding one-third of Average Emoluments; and also, not exceeding Rs. 3,000 a year, or, if the Average Emoluments do not exceed Rs. 12,000 a year, Rs. 2,000 a year.

(*c*) *After a service of not less than twenty-five years:—*

A Pension not exceeding one-half of Average Emoluments; and also, not exceeding Rs. 5,000 a year, or, if the Average Emoluments do not exceed Rs. 12,000 a year, Rs. 4,000 a year.

[*Note.*—The Proviso under Section 111 applies to an Officer invalided on account of incapacity for further service, which incapacity is due to old age or natural decay from advancing years. In the case of an Officer whose Qualifying Service began after he attained the age of twenty-five years, the attention of the Examining Medical Officer should always be called to that Proviso, in order that he may adapt his Certificate accordingly.]

110. An Invalid Pension on the following Scale, but not being less than Rs. 1,000 or more than Rs. 2,000 a year, may be granted to an Officer belonging to any of Classes described in Schedule B, except Class III. The Government of India may, on special grounds, recommend for sanction by the Secretary of State the grant of an Invalid Pension on the same scale to an Officer belonging to Class III., provided that if he was not appointed by the Secretary of State, he be not of purely Asiatic descent.

If the qualifying service of the officer be not less than—	*Forty-fifth parts of the officer's average emoluments.*
10 years	10
11 „	11
12 „	12
13 „	13
14 „	14

111. The amount of Superannuation Pension which may be granted for Superior Qualifying Service is that which would be admissible as an Invalid Pension.

Proviso.—If an Officer's Qualifying Service began after the 20th January, 1871, and after he attained the age of 25 years, the pension admissible under this Section is to be multiplied by a fraction, the denominator of which is 30 or, for Officers entitled to the benefit of Section 114 (*a*), 27, and the numerator the number of years' service completed, not exceeding 30, or, for Officers entitled to the benefits of Section 114 (*a*), 27. The limit of Rs. 2,000, Rs. 3,000, Rs. 4,000, or Rs. 5,000 is to be applied before, and not after, this multiplication.

112. A Retiring Pension may be granted for Superior Qualifying Service as follows:—

After a service of not less than thirty years:

The same in amount as an Invalid Pension admissible after twenty-five years' service.

113. In the following cases the several prescribed maximum limits of Rs. 2,000, Rs. 3,000, Rs. 4,000, and Rs. 5,000 a year may be relaxed.

(*a*) For an Officer whose Average Emoluments exceed Rs. 10,000 a year, and who entered the Service before the 19th May, 1855, or whose salary, before the 6th August, 1862, exceeded Rs. 10,000 a year, the maximum pension is ordinarily Rs. 5,000 a year. But if the service of such an Officer has been *of extraordinary merit*, a pension exceeding Rs. 5,000 a year may be recommended for the sanction of the Secretary of State.

(*b*) To an Officer who entered the Service before the 19th May, 1855, but whose Average Emoluments do not exceed Rs. 10,000 a year, the Secretary of State, on the recommendation of the Government of India, sometimes grants a Special Pension in excess of the prescribed maximum, for *unusually meritorious services.*

(*c*) For a Native Judge who was in the service on the 29th October, 1866, the limit is ordinarily Rs. 5,000 a year.

[*Note.*—The limits which may be relaxed under the foregoing Rules are the *maximum money limits*, and not the limits of one-third or one-half Average Emoluments.]

Chapter IX—*continued.*

114. In the following cases, certain privileges exist in respect of the length of service required for pension—

(*a*) To an Officer, not being a native of Asia, whose qualifying service began after twenty-five years of age, and whose whole service for which pension is claimed has been passed in one or other of the following offices, pension is admissible after three years' less service than is required from other Officers:—

Directors of Public Instruction.
Inspectors of Schools.
Principals and Professors of Colleges.
Head-masters of Colleges and High Schools.
Barristers serving in Offices other than those mentioned in Section 115 to which the Local Government has, with the consent of the Government of India, declared it to be necessary to appoint Barristers.

[*Note.*—The only office concerning which this declaration has been made is that of Deputy Superintendent and Remembrancer of Legal Affairs, Bengal.]

(*c*) The Government of India may, in special cases, add a period, not exceeding three years, to the service of any Civil Engineer appointed to the Public Works Department before the 1st November, 1873, with initial rank higher than that of a First Grade Assistant Engineer. This concession will not, however, be granted to any Officer taken over, directly or indirectly, from one of the Guaranteed Railway Companies, who received a bonus on leaving the service of the Company.

115. To the following officers, being Barristers and not being Covenanted Civil Servants, viz.:—

Judges of the Chief Court of the Punjab;
First Judges of Small Cause Courts of Presidency towns;
Recorder of Rangún;
Secretary to the Government of India in the Legislative Department.

Special Pensions are admissible as follows:—

(*a*) After not less than six years and nine months' Active Service in one or other of the Offices specified in this Section,—an Invalid Pension of £300 a year.

(*b*) After not less than eight years and eight months' such service,—an Invalid Pension of £500 a year.

(*c*) After not less than eleven years and six months. such service,—a Retiring Pension of £750 a year.

1. Active Service here includes, besides time spent on duty, whether in substantive or acting service, Privilege Leave, Subsidiary Leave, and periods of vacation during which the Officer is not on Furlough or Extraordinary Leave.

2. Except as provided by this Section, these Officers come under the ordinary Rules.

160. The widow of an Uncovenanted Officer, who receives a pension on account of her husband having been killed in the Mutiny, retains half her pension on re-marriage. Her half pension is not increased on second widowhood.

163. A pension is payable in India monthly on the first day of the following month.

(*b*) At the Home Treasury pensions are paid quarterly.

167. A pension is payable as follows:—

I. If it is stated in Rupees—

(*a*) At any Treasury of the Government of India in India; or,

(*b*) If the Pensioner is resident elsewhere than in Asia, at his option at the Home Treasury of the Government of India, at the rate of exchange fixed yearly for the adjustment of financial transactions between the Imperial and Indian Governments.

II. If it is stated in Sterling—

(*a*) At the Home Treasury of the Government of India; or,

(*b*) If the Pensioner is resident in Asia, at his option at any treasury of the Government of India in India, at the rate of exchange fixed yearly for the adjustment of financial transactions between the Imperial and Indian Governments.

1. The Rule for the payment at the Home Treasury of a pension at the rate of exchange fixed yearly for the adjustment of financial transactions between the Imperial and Indian Governments, applies to an Officer under covenant, who is entitled by his covenant to pension in accordance with the Rules applicable to Uncovenanted Officers; the covenanted rate of exchange for his pay and allowances does not, unless it is expressly so stated, apply to his pension.

169. Transfer of a Pension from the Home to an Indian Treasury is permitted whenever desired; but transfer of a Pension from an Indian to the Home Treasury is permitted only once.

1. Saving as in any particular case specially so expressed, the Rules in this Code apply to all Public Officers as follows:—

The special Rules which apply to these Officers are contained in—

(a) Lieutenant-Governors and Ordinary Members of the Council of the Governor General or of the Governor of Madras or Bombay ... Chapter III.

(b) Judges of the High Court and (provided that they are Barristers and not Covenanted Civil Servants) Judges of the Chief Court of the Punjab, the Secretary to the Government of India in the Legislative Department, the Recorder of Rangoon and First Judges of Small Cause Courts of Presidency Towns .. .. ,, IV.

(c) Covenanted Civil Servants, Military Officers subject to the Civil Rules, and Uncovenanted Officers belonging to one of the Classes enumerated in Schedule A, and appointed thereto by Her Majesty's Secretary of State, or with his particular sanction, or whose names are entered in Schedule B. ,, V.

The death, resignation, removal, or retirement of any of these Officers should be promptly reported by the Government, Department or Head of Office under whom he is serving, directly to the Government of India in the Department of Finance.

2 The conditions precedent to the entry of the name of an Officer in Schedule B were that—

GENERAL RULES.

3. The Government of India reserves to itself the full right of modifying the Rules in this Code as may from time to time seem to it expedient, and of interpreting these Rules in case of dispute. In all contracts for service in India to which the Secretary of State is a party, provision is made for the exercise by the Government of these rights.

4. Leave of Absence can never be claimed absolutely, as of right. Nothing in this Code must be understood to limit the free discretion of the Government to refuse or revoke Leave of Absence of any description, at any time, according to the exigencies of the Public Service.

1. If a Local Government, under this Section, refuse Furlough to a Member of the Bengal Covenanted Civil Service, it should report the refusal for the confirmation of the Government of India in the Home Department.

5. (a) An Officer recalled to duty before the expiry of leave of any kind is entitled to take the balance of his leave, together with any leave of the same kind subsequently earned, as soon as he can be spared from duty.

[*Note.*—Time occupied in the voyage to India on recal from recognised leave out of India is not included in the balance of leave.

(b) An Officer recalled to duty before the expiry of any recognised leave out of India is entitled to free passage to India, and actual personal travelling expenses from the port of debarkation in India to the Station to which he is posted;

[*Note.*—During the voyages to and from India Leave Allowances only are granted.]

(c) An Officer recalled to duty before the expiry of of leave in India, other than Privilege Leave, is treated as on duty from the date on which he starts for the Station to which he is ordered, and is entitled to his actual personal travelling expenses on his journey to the Station to which he is posted.

(d) An Officer recalled to duty from Privilege Leave is entitled to no concession except that mentioned in Clause (a).

6. If an Officer while absent on Leave during which the amount of his Leave Allowances depends upon the substantive or officiating rank or appointment which he

CHAPTER II—*continued.*

would hold if present on duty, obtains promotion, substantive or officiating, or an increase of Pay or Acting Allowance which involves no change in, or addition to, his duties or responsibilities, the promotion or increase has effect at once. Otherwise the promotion of an absent Officer has effect only from the date of his return to duty.

7. An Officer who is discharged from, or resigns, the Public Service, and is re-employed after an interval, cannot, without the sanction of the Government of India, count his service before discharge towards leave after after re-employment.

Exception.—An Officer discharged from the Indian Navy on its abolition, and subsequently re-employed, may count his Naval Service towards leave after re-employment, notwithstanding the occurrence of a moderate interval between his discharge from the Indian Navy and his first re employment. Any leave taken by such Officer while in the Indian Navy, will be treated, in calculating the leave due to him under this Rule, as if such leave had been taken under the Rules to which he became subject on re-employment.

8. Service as Private Secretary to the Governor-General or a Governor qualifies, provided that the Officer belongs to the Covenanted Civil Service or to the Staff Corps, or belonged (before his appointment as Private Secretary) to the Uncovenanted Service.

13. Subject to the Provisions of Section 54, if an Officer makes over charge of his Office before noon, his leave begins on and includes the day on which he makes over charge; otherwise, it begins on and includes the following day.

1. If the absence of the Officer does not involve the immediate deputation of any Officer from another Station, or any formal transfer of charge in the way of taking over money, or the like, then the Absentee may leave his Station at the close of the last day on which the Office is open for business before his leave begins. In such case the several transfers of charge dependent upon the departure of the Absentee shall take effect from the close of the last working day as aforesaid. But, subject to the provisions of Section 54, the leave of the Absentee and the re-arrangement of allowances, if any depending upon his departure, shall begin from, and include, the first day thereafter on which the Office is open for business. The actual date of the Officer's departure from his Station must, however, always be reported.

CHAPTER III.

LIEUTENANT-GOVERNORS AND MEMBERS OF COUNCIL.

18. Leave on Medical Certificate for not more than six months may be granted to a Lieutenant-Governor. On resuming his duties after such Leave, a Lieutenant-Governor is entitled to half his salary for the period of his absence. If he is prevented from resuming his duties he is entitled to no Absentee Allowances. A Lieutenant-Governor is not entitled to any other Leave.

19. The leave admissible to an Ordinary Member of the Executive Council of the Governor-General, or of the Governor of Madras or Bombay, is regulated by Act of Parliament, Section 26 of 24 & 25 Vic., cap. 67 as follows:—

Section 26 of 24 & 25 Vic., cap. 67. It shall be lawful for the Governor-General in Council, or Governor in Council of either of the Presidencies, as the case may be, to grant to an Ordinary Member of Council, Leave of Absence, under Medical Certificate, for a period not exceeding six months, and such Member, during his absence, shall retain his Office, and shall, on his return and resumption of his duties, receive half his salary for the period of such absence; but, if his absence shall exceed six months, his Office shall be vacated.

1. Subject to any special orders by the Government of India to the contrary,

Leave of absence granted to an ordinary Member of the Council of the Governor General (if taken out of India) commences on the day after such Member embarks at Bombay or Calcutta and ends the day before he disembarks at either of these ports: Provided always that such Member has not been relieved of the charge of his office until he embarks, and that he resumes charge immediately upon his disembarkation:

And the tenure by a Member of Council of his office begins when he takes his seat in Council under the usual salute, and the resignation of his office by a Member of Council whose successor has not entered upon his office, takes effect from the day following that of his embarkation at Bombay or Calcutta, or from the expiry of his five years' tenure of office, whichever date is earlier.

CHAPTER IV.

JUDGES OF HIGH COURTS AND CERTAIN LEGAL AND JUDICIAL OFFICERS.

*Regulations by the Secretary of State in Council of India under the provisions of 24 & 25 Victoria, Cap. 104, Section 6, respecting the furloughs * * * of the Chief Justices and Puisne Judges of the High Courts of Judicature, for the Bengal Division of the Presidency of Fort William, Madras, Bombay and the North-Western Provinces; and Regulations by the Secretary of State in Council respecting the furloughs and leaves of absence of certain other Legal and Judicial Officers.*

DEFINITIONS.

20. In the following Rules "Actual Service" includes—

(1) Time spent on duty as a Judge or Officiating Judge of a High Court.
(2) Privilege Leave of Absence.
(3) Subsidiary Leave of Absence.
(4) Duly authorised Vacations, provided that the Judge is not absent on Furlough or Extraordinary Leave.
(5) "Native Judge" in the rules in this chapter means a Native of India (not being a Member of the Covenanted Civil Service appointed by the Secretary of State for India after competitive examination in England), who received his permanent appointment as Judge of a High Court after the 21st May, 1881.

"Extraordinary Leave" means any leave granted otherwise than under these Rules.

FURLOUGH AND SUBSIDIARY LEAVE.

21. One year's Furlough shall be placed to the credit of each Judge, after the completion of every four years of Actual Service.

22. Except under Sections 25 and 26 no furlough shall be granted until at credit under Section 21.

Provided that any Judge who may have been already in the service of the Government at the time of taking office in the High Court, and who was, at that time, entitled under the Rules applicable to the branch of the Service to which he belonged, to Furlough, without Medical Certificate, may be granted Furlough for a term not exceeding that to which he was so entitled, upon the condition that such Furlough shall not be taken until the completion of two years' Actual Service in the High Court, and shall not exceed one year.

23. Except under Section 26, Furlough shall not be repeated until after the completion of three years' Actual Service from the date of the last return from Furlough or Extraordinary Leave.

N.B. The words "Furlough," or "Extraordinary Leave," in the foregoing Section mean Furlough under these Rules, or Extraordinary Leave granted to any Officer since he has been a Chief Justice or Judge of a High Court.

24. The maximum term of Furlough to be taken at any one time shall be fifteen months.

25. Under Medical Certificate, Furlough may be granted before it is at credit under Section 21.

26. On Urgent Private Affairs, Furlough may be granted to a Judge other than a Native Judge, before it is at credit under Section 21, and although three years of Actual Service have not been completed since the last return from Furlough or Extraordinary Leave.

Provided that Furlough under this Section shall not exceed six months, and shall be granted only once during the whole period of a Judge's service in the High Court.

27. The aggregate amount of all Furlough which can be granted to a Judge, other than a Native Judge, during the whole period of his service in the High Court is two years and a half. Such aggregate amount in the case of a Native Judge is two years.

28. Furlough taken in India shall be reckoned from the date of the Judge's quitting his Office to the date of his return thereto. Furlough taken out of India shall be reckoned from the date of embarkation to the date of debarkation.

In the event of the Furlough being taken partly in India and partly out of India, the commencement and termination of the Furlough shall be respectively determined by the foregoing Rules, according as the Furlough begins or ends in or out of India.

29. For the interval elapsing between the date of quitting his Office and the commencement of Furlough out of India, and between the termination of Furlough out of India and resuming his Office, a Judge may be allowed Subsidiary Leave not ordinarily exceeding thirty days, which, in special cases, may be extended.

30. A Judge, other than a Native Judge, when on Furlough or Subsidiary Leave, shall receive allowances at the rate of Rs. 833-5-4 per mensem in the case of Leave taken in India, or £1,000 per annum in the case of Leave taken out of India.

30A. A Native Judge, when on Furlough, either in or out of India, or on Subsidiary Leave, shall receive allowances at the rate of Rs. 700 a month.

31. Except under Medical Certificate, the number of Furloughs to be granted at any one time, and the grant of Furlough to individual Judges shall be subject to, and limited by, the exigencies of the Service, which exigencies shall be determined exclusively by the Authority granting the Furlough.

32. If, owing to the exigencies of the Service, it may be necessary to place any limit on the number of Judges who may be absent on Furlough at the same time, applications not supported by Medical Certificate will be granted in the following order:

The Judge to whose credit the greatest amount of Furlough remains under Section 21 shall have the preference.

If two or more Applicants are on an equality in this respect, the preference shall be given to the applicant whose actual service in a High Court is longest, reckoning, in the case of a Judge who has not taken Furlough or Extraordinary Leave, from the date of his commencement of service in the High Court, and, in the case of a Judge who has taken Furlough or Extraordinary Leave, from the date of his last return from such Furlough or Leave.

If two or more Applicants are equal in both respects, the preference shall be given to the senior in the Court.

PRIVILEGE LEAVE.

33.—(*a*). Subject to the exigencies of the Public Service, a Judge, who has completed eleven months' continuous duty including the Vacation, may take Privilege Leave for one month in each year; but, except as provided in Clause (*b*), his salary will cease during such Leave. A Judge may not take Privilege Leave in instalments, or more than a month at once; and, except as provided in Clause (*c*), Privilege Leave may not be combined with the Vacation.

(*b*) A Judge who is detained on duty as Vacation-Judge, may, during his next Privilege Leave, draw his salary for any period by which his vacation, consequently, falls short of one month.

(*c*) Once in three years, and not oftener, Privilege Leave, during which full salary is drawn under Clause (*b*), may be prefixed or affixed to the Vacation.

34. Section 33 does not apply to those Judges (32 in number) who were in office on the date of the publication of that Rule.

CHAPTER IV—*continued.*

35. Privilege Leave may be granted to any of the Officers referred to in Section 34, under the following Rules:—

(1) Subject to the exigencies of the Public Service, Privilege Leave for one month may be granted to a Judge who has been on duty, without interruption, for eleven months, including the Vacation.

(2) An additional month of Privilege Leave accrues to a Judge after each further period of eleven months' continuous duty including the Vacation.

(3) Privilege Leave may not be taken in instalments; but any Privilege Leave not taken when due may be added to the next Privilege Leave which accrues:

Provided that the whole Privilege Leave taken at one time shall not exceed three months, and that any accumulation of Privilege Leave beyond that period shall be forfeited.

(4) Saving as provided in Rule (5), a Judge, when on Privilege Leave, shall receive half his salary

(5) A Judge who discharges the duties of Vacation-Judge, during the whole or any part of a Vacation, shall be entitled, for each day of such duty, to draw his full salary for one day of any Privilege Leave which he may subsequently obtain.

GENERAL.

36. Furlough and Privilege Leave shall not be taken as such, in continuation of each other; but if a Judge absent on one of these classes of Leave be allowed to change it for another, the whole period of his absence shall be held to be under the class of Leave for which it was changed.

37. Applications for Leave shall in all cases be submitted in such manner as the Government may, from time to time, prescribe.

38. Leave Allowances shall be payable monthly if payment is taken in India, and quarterly if payment is taken in England.

39. No substantive appointment shall be vacated, merely by reason of Leave being granted under these Rules.

40. If a Judge shall overstay any Leave, he shall forfeit all salary during the time of his remaining so absent, and if he shall so continue absent for more than one week, his office shall be liable to become vacant. This Rule shall not operate to oblige any Judge taking leave, other than leave under Section 33, to return to duty on an authorised holiday, unless an Officer is officiating as Judge in consequence of his absence.

41. No Leave, except Privilege Leave and Leave Subsidiary to Furlough, shall count as service for pension.

42. If a Judge, who is a Covenanted Civil Servant or a Native Civil Servant, shall be permitted to resign his office and remain in the service, all Leave which he may have taken as a Judge of the High Court shall be reckoned as if it had been taken under the Rules for the Leave of Absence of Covenanted Civil Servants, or Native Civil Servants, as the case may be.

43. The foregoing Rules regarding Furlough and Leave of absence (Sections 20 to 42), are, with the modifications *A* and *B* below stated, applicable also to the following Officers, provided that they were before their appointment practising Barristers of England or Ireland, or practising Members of the Faculty of Advocates of the Court of Session of Scotland.

Judges of the Chief Court of the Punjab.

Recorders in Rangún.

First Judges of Small Cause Courts at Presidency Towns.

Secretary to the Government of India in the Legislative Department.

Modifications indicated above.

(*A*) The Allowances of these Officers, while on Furlough or Subsidiary Leave, shall not exceed half their salaries, and shall be limite also to the rate prescribed in Section 30.

(*B*) The Privilege Leave of the Secretary to the Council of the Governor-General for making Laws and Regulations, the First Judge of the Small Cause Court at Calcutta, and of the Judges of the Chief Court of the Punjab shall be regulated by Sections 70 to 75.

CHAPTER V.

COVENANTED CIVIL SERVANTS NOT BEING NATIVE CIVIL SERVANTS; MILITARY OFFICERS SUBJECT TO CIVIL RULES; AND UNCOVENANTED OFFICERS BELONGING TO ONE OF THE CLASSES ENUMERATED IN SCHEDULE A AND APPOINTED THERETO BY HER MAJESTY'S SECRETARY OF STATE, OR WITH HIS PARTICULAR SANCTION, OR WHOSE NAMES ARE ENTERED IN SCHEDULE B.

GENERAL.

44. No Leave but Privilege Leave may be granted to a Covenanted Civil Servant who has completed thirty-five years' service, or to a Military Officer in Civil Employ, whether subject to Civil Rules or to Military Rules, who is more than fifty-five years old. Any Leave other than Privilege Leave granted to a Covenanted Civil Servant before such date ceases to have effect on such date, and any Leave other than Privilege Leave granted in the Civil Department to a Military Officer in Civil Employ before he is fifty-five years old ceases to have effect on his fifty-fifth birthday, on which date he reverts to Military Employ. The absentee allowances of a Military Officer in Civil Employ on Leave other than Privilege Leave become a Military Charge, and he becomes subject to Military Rules on his fifty-fifth birthday, whether his Leave was granted in the Military or the Civil Department.

45. An Uncovenanted Officer is eligible, after he attains the age of fifty-five years, for Privilege Leave, and also for any Special Leave (Sections 60 and 129) to which he may be otherwise entitled, and for no other kind of Leave. Any Leave, other than Privilege Leave or Special Leave, granted to an Uncovenanted Officer before the date on which he attains the age of fifty-five years, ceases to have effect on this date.

FURLOUGH.

[*Note.*—The Local Government in the Civil Department may grant Furlough *in India* under Military Rules to a Military Officer subject to Military Rules who is entitled to Furlough under Chapter I. of the Rules published by G.G.O. in Military Department, No 171, dated 25th February, 1874. Such Furlough should be granted only upon a Certificate by the Government in the Military Department of the Presidency to which the Officer belongs, that he is entitled thereto; and a copy of the Order granting the Furlough should be sent to that Government.

A Local Government may not, in the Civil Department, grant Furlough *out of India* under Military Rules to any Military Officer subject to Military Rules.]

46. The amount of Furlough admissible to a Covenanted Civil Servant, or a Military Officer subject to Civil Rules and the aggregate amount of Furlough and of Special Leave With Allowances, admissible to an Uncovenanted Officer, is limited to six years. All the Rules in this Code are subject to this limitation.

Explanation.—The following Leave under other Rules is counted as Furlough under this Section.

In the case of a Covenanted Civil Servant:—Furlough and Leave with Allowances on Medical Certificate under former Rules.

(1) Leave of the kind described in Definition "Active Service" (*h*), and Junior Furlough under the Rules in force before the 8th June, 1855, are not counted against an Officer under this Section.

[*Note.*—Junior Furlough was Medical Leave, involving loss of appointment taken before completion of three years' residence.]

In the case of a Military Officer subject to Civil Rules:—Furlough under Rules 1 and 6 of the Military Furlough and Leave Rules of 1875.

In the case of an Uncovenanted Officer:—Furlough and Leave With Allowances on Medical Certificate, and Leave on Private Affairs under former Rules, or under the Rules in Chapter X.

47. The amount of Furlough "earned" by an Officer is one-fourth of his Active Service.

1. Leave of the kind described in Definition "Active Service" (*h*) counts as Active Service under this Section.

Proviso.—Provided that, in making this calculation for an Uncovenanted Officer, only half of the Active service rendered by him in offices other than those included in Schedule A, shall be taken into account.

1. The whole of the Active Service rendered by the Officer while officiating in any of the offices included in Schedule A is to be taken into account.

48. The amount of Furlough "due" to an Officer is the amount which he has earned, diminished by—

In the case of a Covenanted Civil Servant:—

(1) The Furlough which he has enjoyed under these or any former Rules, except Junior Furlough under the Rules in force before the 8th June 1855;

(2) The excess over one year in the amount of Leave with Allowances, on Medical Certificate which he has enjoyed under former Rules.

In the case of a Military Officer subject to Civil Rules:—

(3) The Furlough which he has enjoyed under the Rules of this Code, or Rules 1 and 6 of the Military Furlough and Leave Rules of 1875.

In the case of an Uncovenanted Officer:—

(4) The Furlough, or Special Leave, with Allowances, which he has enjoyed under these or any other Rules;

5) The Leave on Private Affairs or on Medical Certificate with Allowances, which he has enjoyed under the Rules formerly applicable to him.

Proviso.—Provided that if more than two years' Furlough be due to an Uncovenanted Officer when he first becomes subject to these Rules, the excess shall be cancelled.

49. To an Officer who has rendered three years' Continuous Service, Furlough for not more than two years may be granted, as follows:

On Medical Certificate,—unconditionally;

Without Medical Certificate,—subject to these provisos:—(1) That the Furlough be due to him; (2) that he have rendered eight years' Active Service; (3) that the whole number of Officers absent on Furlough and Special Leave do not exceed the limit (if any) appointed by the Government of India.

1. Except on Medical Certificate, or on very Urgent Private Affairs, Furlough or Special Leave may not be granted to any Covenanted Civil Servant or to any Military Officer subject to Civil Rules, or to any Uncovenanted Officer who is, if employed in Oudh, the Central Provinces, British Burma, Assam, Ajmir, Coorg, and Berar, a Member of the Commission, or who is, if employed elsewhere, the holder of an office corresponding to that of a Member of a Commission, if one-fifth of all the Officers of a Commission, or of all Officers holding appointments similar to those of Members of a Commission, as the case may be, are already absent on Furlough or Special Leave.

50. Furlough granted under Section 49 may, on Medical Certificate, be extended to not more than three years.

51. To an Officer who has not rendered three years' Continuous Service, Furlough for not more than one year may be granted on Medical Certificate.

52. Furlough granted under Section 51 for less than one year may, on Medical Certificate, be extended to not more than one year.

53. (*a*). Subject to his good conduct and efficiency, an Officer on Ordinary Furlough, has a Lien on his substantive appointment, or on a substantive appointment of a like character and not less pay.

Explanation. Ordinary Furlough includes—

(1) The first two years of each separate period of Furlough under Section 49, including any extension under Section 50;

1. Ordinary Furlough can, under no circumstances extend beyond two years at one time.

(2) So much of Furlough under Section 51, including any extension under Section 52, as may be due: Provided that the Officer have rendered six months' Continuous Active Service.

(*b*) On Other Furlough a Covenanted Civil Servant, or a Military Officer subject to Civil Rules, has no Lien; but an Uncovenanted Officer has a Lien.

(3) *An Officer on Furlough has no claim to substantive promotion, but there is no objection to such promotion.

(5) An Officer cannot obtain Ordinary Furlough or retain allowances under Section 56, unless he has a substantive appointment. A Military Officer who has no substantive Civil appointment continues subject to Military Rules, and can only get Military Furlough Allowances.

54. †Saving as provided in Section 66, Furlough and Special Leave out of India begin on and include the day of the departure of the vessel in which the Officer sails, and end on and include the day before the arrival of the vessel in which the Officer returns.

1. †An Officer may leave India, or return to India, by any port; but his Furlough or Special Leave begins on the vessel's departure from the port where he first meets it, and ends on the day before its arrival at the port where he last quits it.

Example.—The Furlough or Special Leave of an Officer sailing from Calcutta in a vessel which touches at Madras, begins on the departure of the vessel from Calcutta, and not from Madras.

2. †The date of the departure of a vessel in charge of a pilot is the date on which the pilot leaves it at sea; and the date of the arrival of a vessel in charge of a pilot is the date on which the pilot is taken on board.

3. *‡An Officer serving in Persia or Arabia may leave the country in which he is serving, or return to it, by any port or frontier town except Aden. The date of his departure or return must be certified by the British Consul, or, if there be no British Consul, by the Officer himself.

4. †An Officer taking Furlough or Special Leave out of India must report his embarkation to the Local Government which granted his leave, and his arrival in England to the Secretary of State.

55. An Officer is not entitled, at the end of Furlough or Special Leave, or Subsidiary Leave affixed thereto, to resume, as a matter of course, without further orders, the particular appointment which he vacated before his Furlough or Special Leave. He should report his return to duty in the manner prescribed in Section 162, Rule 6, and await orders.

56. An Officer on Ordinary Furlough is entitled, subject to the limitations prescribed in Sections 57 and 58, to a Leave Allowance equal to half his Average Salary.

57. The Maximum Leave Allowance of a Covenanted Civil Servant or a Military Officer subject to Civil Rules, on Ordinary Furlough is, if paid at the Home Treasury of the Government of India, £250 a quarter; if paid in India Rs. 833⅓ a month. The minimum is, if paid at the Home Treasury, £125 a quarter; or his last salary, whichever is less; if paid in India, Rs. 416⅔ a month, or his last salary, whichever is less.

58. The Maximum Leave Allowance of an Uncovenanted Officer on Ordinary Furlough is, if paid at the Home Treasury of the Government of India, £200 a quarter, or if paid in India, Rs. 666⅔ a month. There is no minimum.

1. An Officer on Furlough does not forfeit his past Leave Allowances by resigning the Service without returning to India.

59. An Officer on Furlough other than Ordinary, is entitled, if a Covenanted Civil Servant, or a Military Officer subject to Civil Rules, to Subsistence Allowance; if an Uncovenanted Officer, to £120 a quarter paid at the Home Treasury, or Rs. 400 a month paid in India, or to one quarter of his Average Salary, whichever is less.

1. The following are the rates of monthly Subsistence Allowance for a Covenanted Civil Servant or a Military Officer subject to Civil Rules:—

To an Officer of not more than eight years' actual residence in India.	Rs.	250
To an Officer of more than eight, but less than twelve years' actual residence in India	,,	320
To an Officer of twelve or more years' actual residence in India ...	,,	400

Note.—The Monthly Subsistence Allowance of a Native Civil Servant when out of employ is as follows:—

To an Officer who has rendered not more than eight years' Active Service	Rs.	250
To an Officer who has rendered more than eight, but less than twelve years' Active Service	,,	320
To an Officer who has rendered not less than twelve years' Active Service	,,	40

SPECIAL LEAVE.

60. Special Leave on Urgent Private Affairs may be granted at any time for not more than six months:

Provided that an Officer who has had Special Leave must render six years' active service before he can again have such Leave.

(1) The corresponding Leave under the Covenanted Civil Service Leave Rules in force before the 1st July 1868, is "Special Leave" within the meaning of this proviso.

(2) An Uncovenanted Officer is not debarred from obtaining Special Leave with allowances under this Chapter by reason of his having had Leave on Private Affairs under the Rules in Chapter X., which is Furlough in another form.

61. An Officer on Special Leave has a lien on his Substantive appointment, or on a Substantive appointment of a like character and not less pay, as if he were on Ordinary Furlough.

62. For the first six months for which an Officer is on Special Leave, whether the six months be included in the same Leave or not, he is entitled to the Leave Allowance admissible under Sections 56, 57, and 58. Thereafter he is entitled to no Leave Allowance.

(1) The corresponding Leave under the Covenanted Civil Service Leave Rules in force before the 1st July, 1868, is "Special Leave" within the meaning of this Section.

---

* Applies to all Officers.

† Applies to a Military Officer subject to Military Rules.

‡ Applies to all Officers excepting Officers subject to Chapter X.

SUBSIDIARY LEAVE.

63*.—(*a*) Subsidiary Leave is the time allowed—

(1) To an Officer leaving India, on retiring from the Service, or on Furlough or Special Leave, to break up his domestic establishment and travel to the port of embarkation, and

(2) To an Officer returning to India from Furlough or Special Leave, to travel from the port of debarkation and re-organise his domestic establishment.

Note.—The use of the words, "port of embarkation" and "port of debarkation" limits the grant of Subsidiary Leave to an Officer leaving *India* by sea, that is at an Indian sea-port. No Subsidiary Leave is admissible to an Officer who does not leave India by *sea*.

(*b*) The grant to an Officer leaving India—

(1) Of permission to retire from the Service, or

(2) Of Furlough or Special Leave out of India,

carries with it the grant of Subsidiary Leave, including, in Case (2), Subsidiary Leave on his return to duty.

64.* The minimum Subsidiary Leave is ten days; otherwise Subsidiary Leave is calculated as Joining Time is calculated. (Section 157, Rule 2.)

Note.—All the provisos to Rule 2 under Section 157 apply equally in the case of Subsidiary Leave.

65.* If an Officer eventually fails to obtain the medical certificate required by Section 78, Rule 10 or 13, he is entitled to Joining Time from the date on which the decision of the Medical Board or Officer is communicated to him, to enable him to return to his appointment. During this Joining Time, his allowances are regulated as if he was on Subsidiary Leave.

66.* An Officer may take Furlough or Special Leave, partly in, and partly out, of India. But Subsidiary Leave is not admissible unless the Furlough or Special Leave begins, or, as the case may be, ends, as Furlough or Special Leave out of India.

Proviso.—If an Officer going on Furlough or Special Leave out of India, is prevented by sickness or other urgent and adequate reason not within his own control, such, for example, as the postponement of the departure of the vessel in which his passage is engaged, from embarking within his Subsidiary Leave, the Local Government may order that his Furlough or Special Leave shall begin in India at the end of his Subsidiary Leave, without forfeiture of his Subsidiary Leave.

1. *In the absence of such special order, if an Officer remains in India after the end of Subsidiary Leave, his Furlough or Special Leave dates from the beginning of his Subsidiary Leave.

2. †An Officer returning to India, without the permission of the authority which granted him Leave, more than fourteen days before the end of his Furlough or Special Leave, is not entitled to Subsidiary Leave, save under the special orders of the Local Government.

67. An Officer on Subsidiary Leave under Section 63 (*a*), (1), has, or has not, a lien on an appointment according as he has, or has not, such lien on the first day of the leave to which it is subsidiary.

Note.—A Military Officer subject to Military Rules does not lose his lien during Subsidiary Leave preparatory to Furlough.

68. An Officer on Subsidiary Leave under Section 63 (*a*), (2), has, or has not, a lien on an appointment according as he has, or has not, such lien on the day last preceding the Subsidiary Leave.

69. An Officer on Subsidiary Leave is entitled to allowances as follows:—

(*a*) If the leave be Subsidiary to Special Leave, and the Officer have had leave subsidiary to a former Special Leave: no allowance.

(1) The corresponding Leave under the Covenanted Civil Service Rules in force before the 1st July, 1868, is Special Leave within the meaning of this Clause.

(*b*) If the leave be subsidiary to Ordinary Furlough or Special Leave:—the allowance admissible under Section 56, but calculated, in the case of a Covenanted Civil Servant, or a Military Officer subject to Civil Rules, without the limitations of Maximum or Minimum prescribed by Section 57. The limitations prescribed by Section 58, apply to the allowances of an Uncovenanted Officer on Subsidiary Leave.

(*c*) If the Leave be Subsidiary to Furlough other than Ordinary, the allowance admissible under Section 59

(*d*) If the Officer, under Section 162, have ceased to have a lien on a substantive appointment—as, for example, if a Covenanted Officer has been absent on Extraordinary Leave in extension of Furlough—in the case of a Covenanted Civil Servant, or a Military Officer subject to Civil Rules:—Subsistence Allowance; and, in the case of an Uncovenanted Officer:—no allowance.

1. *An Officer may draw allowances as if he were on Privilege Leave for any part of his Subsidiary Leave under Section 63 (*a*), (1), for which, if he were not retiring from the Service, or going on Furlough or Special Leave, Privilege Leave would be admissible to him. It is to be observed that an Officer who has no lien on an appointment cannot benefit by this Rule (*see Rule* 3 *under Section* 75).

PRIVILEGE LEAVE.

[The Rules in this Chapter apply to Military Officers subject to Military Rules.]

70. The amount of Privilege Leave admissible at one time is limited to three calendar months.

71. The amount of Privilege Leave earned by an Officer is one-eleventh part of the time during which he has been on duty without interruption: Provided that no Privilege Leave can be earned by an Officer by duty done, while three months' such leave is due to him, and that, whenever duty is interrupted, all claim to Privilege Leave earned theretofore is forfeited. Absence on Privilege Leave, though not counting as duty, is not an interruption of duty within the meaning of this Section.

1. The calculation must be made as follows:—One calendar month for every eleven complete calendar months of duty, and one day for every eleven days of the balance.

4. "Examination Leave" may, if the Examination for which it is granted be successfully passed, or unless the Officer has already had twelve months' Examination Leave, count as duty qualifying for Privilege Leave. "Examination Leave" does not interrupt duty within the meaning of this Section, unless in the case of leave granted under Clauses (*c*) and (*d*) of Rule 1 in Section 76, the Officer fails to pass the Examination for which the Leave is granted.

72. The Privilege Leave due to an Officer is the Privilege Leave which he has earned, less the period during which he has been absent on Privilege Leave.

1. Privilege Leave is not admissible to—

(*a*.) Officers serving in Departments in which regular vacations are allowed, during which the officers are permitted to be absent from duty (*e.g.*, Uncovenanted Judicial Officers, Educational Officers, Officers in a High Court).

(*b*.) District and Sessions Judges who are permitted to avail themselves of the periodical court vacations.

But in case of urgent necessity, Privilege Leave may be granted to any such officer under the ordinary Rules, subject to the conditions (1) that the officer shall during his absence receive only half the salary and allowances ordinarily admissible during Privilege Leave, and (2) that the leave cannot in any case be combined with vacation.

---

* Applies to a Military Officer subject to Military Rules.

† Applies to all Officers, including Military Officers, subject to Military Rules.

* Applies to a Military Officer subject to Military Rules.

2. Rule 1 does not apply to the case of an officer who is, by general or special orders issued by competent authority, prevented in any year from availing himself of the vacation or vacations by reason of his having to remain at his post on duty. In such a case Privilege Leave may be granted under the ordinary Rules; provided always that the leave shall not in any case be combined with vacation.

3. An officer who is, by general or special orders issued by competent authority, prevented from availing himself of a part only of a periodical vacation may, during Privilege Leave subsequently taken, draw his full salary for a period bearing the same proportion, if the vacation be annual, to a month, or if it be half-yearly, to half a month, as the time spent on duty during the vacation bears to the whole vacation.

73. To an Officer who has been on duty, without interruption, for eleven calendar months, and who has not, for six calendar months, been absent on Privilege Leave, the whole or any part of the Privilege Leave due to him may be granted.

1. An Officer applying for Privilege Leave must record a declaration that he has no intention of retiring or of taking Furlough, Special Leave, Subsidiary Leave, Leave on Private Affairs or Leave on Medical Certificate for three months after his return to duty. Though not absolutely debarred by this declaration from applying for permission to retire or to take such leave within the three months, he should, if he does so, explain his change of mind.

74. An Officer on Privilege Leave has a lien on his substantive appointment; he has also a lien on his officiating appointment, so long as it is not resumed by an Officer having a superior lien on it.

75. An Officer on Privilege Leave is entitled to a Leave Allowance equal to the salary which he would receive if he were on duty in the appointment on which he has a lien.

1. If Privilege Leave is granted to an Officer who holds an appointment sanctioned only for a limited time and for a special purpose, he is not entitled, during Privilege Leave, to any Special Allowance attached to the appointment.

2. An officer on Privilege Leave is entitled to a Leave Allowance equal to his salary, even though another Officer be appointed to act for him.

3. An officer who has no lien on an appointment is entitled, during privilege leave—

In the case of a Covenanted Civil Servant, or a Military Officer subject to Civil Rules—to Subsistence Allowance.

In the case of an Uncovenanted Officer to no allowance.

(3) An officer while absent from his Office or from his Station to attend an obligatory Departmental Examination, or (in the Punjab) an examination in Pushtu or Biluchi, is considered to be on duty.

(4) Leave may not be given under Rule 3 to an Officer to prepare for examination, or for recreation after examination. A reasonable time, including the day or days of examination should be allowed for the journey to and from the place of examination, and nothing more.

When no such reservation is expressed by the Local Government, the Accountant General may always assume that none is intended. In the absence of such reservation, the Secretary of State will exercise jurisdiction, under this Section in the case of an Officer on leave in Europe, without reference to the authorities in India: Provided always that an Officer on Furlough or Special Leave in Europe who wishes to have his Leave extended, must apply to the Secretary of State at least three months before the date on which his leave will expire in India; otherwise, he may be required to pay the cost of telegrams to and from India.

(2) Subsidiary Leave on half-pay for a period not exceeding fourteen days may be given to an Officer preparatory to his retirement from the Service, provided that the grant causes no additional expense to the State.

PRIVILEGE LEAVE.

136. Privilege Leave may be granted in accordance with the Rules in Sections 70—75: provided that no non-gazetted Officer whose salary is less than Rs. 200 a month can draw any allowances for time passed on Privilege Leave until he returns to duty.

EXAMINATION LEAVE.

137. An Officer permitted to present himself at any examination which must be passed before a person is eligible for a higher subordinate appointment in any branch of the Uncovenanted Service, such as a Deputy-Magistracy, may, under the orders of the Local Government, be allowed Leave of Absence for the number of days which is actually necessary to enable him to attend at the Examination. During this Absence, which is expected to be short, no deduction will be made from the Officer's allowances, unless the Head of the Office finds such deduction necessary to enable him to make arrangements for carrying on the work. Such leave should not be allowed more than twice for each standard of examination.

138. The Master of a Government School in Bengal in receipt of a salary not exceeding Rs. 200 a month while absent from his Office with the object of studying to qualify himself as a Teacher of Surveying, is considered to be absent on duty or on special deputation, provided that such period of absence shall not exceed three months.

GENERAL.

139. Leave on Private Affairs and Furlough cannot be taken in continuation of any Leave except Subsidiary Leave; but any Leave granted under these Rules may be retrospectively changed for any other kind or amount of Leave which might at first have been granted;* and, if an Officer absent on Privilege Leave, or on Leave on Private Affairs, or on Furlough, take extension of Leave on Medical Certificate, the whole of the absence will be treated as Leave on Medical Certificate.

(1) Extraordinary Leave without allowances cannot be converted retrospectively into Leave on Medical Certificate, but Leave on Medical Certificate may be given in continuation of Extraordinary Leave without allowances.

140. No Officer's appointment becomes vacant, simply by reason of his taking Leave under these Rules. But Absence without Leave, or after the end of Leave (excepting Privilege Leave, in which case a week's grace is allowed) involves loss of appointment; and after five years' continuous absence, whether with or without Leave, an Officer is considered to be out of Government employ.

(2) An Officer who goes on Leave out of India has no claim to return to the particular local appointment from which he took Leave.

APPLICATIONS FOR LEAVE.

141. (*a*) Leave may be granted to an Officer by the Authority whose duty it would be to fill up his appointment if vacant. The Local Government may empower Heads of Departments to grant Privilege Leave to Officers under their orders, who are appointed by Government; but if the Officer, to whom Leave is granted, be a Gazetted Officer, the grant of Leave must be reported to the Local Government.

CHAPTER XI.

THE BENGAL COVENANTED PILOT SERVICE.

[Four Branch Pilots, who were in the Service of Government on the 10th January, 1879, are subject to the Rules which regulated the leave and allowances of Pilots before that date.]

142. For the purposes of these Rules, the pay of the several Grades of the Service shall be taken to be as follows:—

	Rs
Branch Pilot	1,000 a month.
Master Pilot	700 „
Mate Pilot...	450 „

143. Furlough may be taken to the extent of four years during the entire period of service in the following instalments, viz., after ten years' service two years, and after every subsequent eight years, one year on an allowance of half the average pay for the last three years. Provided that no Furlough can be granted to an Officer who has taken Leave on Medical Certificate until three years after his return from Leave on Medical Certificate.

If a portion of an instalment is taken, the remainder may be added to any later instalment: provided that not more than two years' Furlough may be taken at one time.

144. Leave on Medical Certificate may be taken to the extent of three years during the whole period of service, but not for more than two years at a time, and not more than twice out of India. Such Leave cannot be taken for more than one year except after three years' Continuous Service immediately preceding. Leave on Medical Certificate cannot be counted as service for Furlough, and no Leave on Medical Certificate can be taken while any Furlough is due. An Officer on Leave under this Section is entitled to half his average pay for the first fifteen months of each period of absence, but not for more than thirty months in all. For the rest of his Leave under this Section he is entitled to a quarter of his average pay. The minimum allowance during Leave on Medical Certificate to the Officer to whom any allowance is due shall be Rs. 100 a month.

145. (*a*) Special Leave on Urgent Private Affairs may be granted at any time for not more than six months: provided that an Officer who has had Special Leave must render six years' Active Service before he can again have such Leave.

(*b*) For the first six months for which an Officer is on Special Leave, whether the six months be included in the same Leave or not, he is entitled to Leave Allowance of half his average pay for the last three years.

(*c*) Thereafter he is entitled to no Leave Allowance.

146. Subsidiary Leave on half average Pay, on the terms and conditions prescribed in Sections 63 and 64 of the Code, may be prefixed and affixed to Furlough, Leave on Medical Certificate, and Special Leave on Urgent Private Affairs, taken out of India.

147. Privilege Leave may be taken either—

(*a*) As provided for Officers in Sectious 70—75; or

(*b*) For a period of two months in every twelve, on half pay (which cannot be accumulated) on a Medical Certificate showing that the applicant requires, through sickness, more leave than he could take under the ordinary Privilege Leave Rules in Sections 70—75. When such Leave is taken in extension of ordinary Privilege Leave, the period of ordinary Privilege Leave first taken under Clause (*a*) must be commuted to double the period on half pay under Clause (*b*). Leave taken under this Clause shall be reckoned as Active Service. Provided that if Leave taken under this Clause be extended under Medical Certificate, the whole of the Leave shall be treated as Leave on Medical Certificate under Section 144.

(*c*) The Leave authorised in Clause (*b*) may be taken in instalments; but a Pilot may not take Leave under Clause (*a*) for eleven months after his return to duty from his last Leave taken under Clause (*b*).

148. A Pilot is eligible after he attains the age of fifty-five years for Privilege Leave, and for any Special Leave on Urgent Private Affairs to which he may be otherwise entitled. No Leave other than Privilege Leave or Special Leave on Urgent Private Affairs, granted to a Pilot before his fifty-fifth birthday, has effect after that date.

CHAPTER XII.

PORT BLAIR POLICE.

149. Privilege Leave may be granted to the men employed in the Port Blair Police Force as under:—

2 months after 30 months' consecutive service.
3 „ „ 36 „ „ „

Such Leave cannot be claimed as a right, and will only be granted when it can be given without inconvenience to the Public Service. During Privilege Leave full pay is admissible.

150. Sick Leave on full pay is granted for fifteen days, after which the men will receive subsistence as under:—

Constables	Rs. 6 per mensem.
Sergeants	„ 10 „
Chief Constables	„ 15 „
Inspectors...	Two-thirds of salary.

151. Furlough to unmarried men, or men whose families remain at their homes in India, may be given in turn after five years' Continuous Service in the Settlement. Furlough may also be given, in special cases, at the discretion of the Superintendent, to married men having their families at the Settlement, after a continuous service of not less than five years.

152. Such Furlough carries with it half-pay, and may be for periods of from four to six months, according to the distance of the applicant's home from Calcutta.

153. Leave-men proceeding to India should be employed, ordinarily, on the voyage in guarding transferred convicts, and when not required for the purpose they may be granted deck passages at the expense of Government.

154. From the port of debarkation they will proceed to their homes at their own expense, and on the expiration of their Furlough they will report themselves to the Commissioner of Police, Calcutta, with a view to their employment as convict guards on the return voyage. If not required for this purpose, they may be granted a deck passage at the public expense.

155. The total number of men on Leave at one time from all causes other than Privilege Leave shall not exceed ten per cent. of the Force.

156. Absence without Leave is punishable by dismissal or forfeiture of pay.

CHAPTER XIII.

JOINING TIME.

157. Joining Time is the time allowed to an Officer to proceed from one Station to another when his appointment is changed, or when, being unemployed, he is appointed to any office. An Officer is held to be on duty during Joining Time, if he is entitled to allowances.

1.—Only one day is allowed for joining an appointment which does not, necessarily, involve a change of residence.

[*Note.*—See Proviso VI. to Rule 2.]

2.—Otherwise, Joining Time is calculated as follows, excluding Sundays not actually spent in travelling:—

Six days for preparation; and, in addition, thereto -

for the portion of the journey which the Officer travels, or might travel,—	a day for each
by Railway	200 miles.
by Ocean Steamer	150 ,,
by River Steamer	80 ,,
by Mail Cart or other public stage conveyance drawn by horses...	80 ,,
in any other way	15 ,,

[*Note.*—An extra day is allowed for any fraction of distance over that prescribed. *But see Rule* 15 *in the case of Ministerial Officers on salaries not exceeding Rs.*100 *a month.*]

Provisos—

i.—The maximum Joining Time is thirty days: the following provisos are all subject to this maximum.

[*Note.*—If the Local Government is satisfied that an Officer has, through no fault of his own, been unable to avail himself of the usual mode of travelling, it may extend even the maximum Joining Time of thirty days. But in that case it should report its proceedings to the Government of India in the Finance Department, with a full statement of the circumstances of the case.]

ii.—When part of the journey is by steamer, the days intervening between the Officer being set free from his office, or, if he has no office, receiving his orders, and the departure of the steamer, or his start duly regulated to catch the steamer, shall be added to the time calculated under this Rule.

iii.—By whatever route the Officer travels, his Joining Time shall, unless the Local Government specially permit otherwise, be calculated by the route which travellers habitually use.

[*Note.*—But see Rule 15 for Ministerial Officers on salaries not exceeding Rs. 100 a month.]

iv.—If the Officer satisfies his new Departmental Superior that, notwithstanding due diligence on his part, the journey has occupied altogether more time than is allowed by the Rules, the time actually occupied may be allowed.

v.—On being satisfied that the Rules have, in any particular case, operated hardly, as for example if an Officer has, through no default on his part, missed a steamer, or fallen sick on the journey, the Local Government may, for reasons stated, allow concessions in excess of what is admissible by the Rules, on such conditions as to allowances or otherwise as it may think fit. Such concessions must not be made as a mere indulgence or otherwise than because the Rules do not appear to provide reasonably and equitably for the case.

vi.—The Local Government may, for reasons stated, extend the Joining Time admissible by Rule if it considers such extension necessary for the public convenience, or for the saving of public expense, as, for example, to prevent unnecessary and merely formal transfers.

[*Note.*—This Proviso applies also to Rule 1.]

vii.—The Accountant General shall bring to the notice of the Local Government any concession made under Proviso iv. which seems to him improper or unreasonable, and shall move the Local Government to report to the Government of India any concession made under Proviso v., or extension made under Proviso vi., which appears to him contrary to the spirit of those Provisos. The Local Government may not, in either case, finally overrule the Accountant General without a reference to the Governor General in Council.

[*Note.*—Upon the application of the Local Government, the Government of India will sanction any necessary relaxation or modification of these Rules in exceptional localities, where their general application would operate harshly.]

3. The Joining Time of an Officer whose appointment is changed while he is in transit from one appointment to another, begins on the day following that on which he receives his orders.

10. Except in the case mentioned in Rule 12, an Officer draws during joining time the pay or salary which he drew in his old appointment or that which he draws in the new, whichever is less; provided that an officer transferred from one officiating appointment to another shall not draw any acting allowance during joining time if he had not a superior lien on either of the officiating appointments to that of the officer relieved by or relieving him.

12. An Uncovenanted Officer, who has no substantive appointment is not entitled to any allowance during Joining Time; but, if such an Officer, officiating in an office, is transferred to another office under the same Local Government, the Local Government may allow him to draw, during his transit, the allowance to which he would be entitled under Rule 10.

14. An Officer who does not join his new appointment within his Joining Time, is entitled to no allowances after the end of his Joining Time, and, after a week, ceases to have a lien on any appointment. But if the Local Government considers that his default was due to circumstances beyond his control, it may exempt him from the loss of his appointment. The expression "Allowances" in this Rule does not include travelling allowance.

15. A Ministerial Officer, whose salary does not exceed Rs. 100 a month, should not ordinarily be required to travel by mail cart or other public stage conveyance drawn by horses.

---

* Or any longer time actually occupied in the journey.

CHAPTER XIV.

PAYMENT OF LEAVE ALLOWANCES.

158. (*a*) Leave Allowances are payable in India after the end of each Calendar month; but an Officer on Furlough or Special Leave out of India may, at his option, take payment

(1) If he proceeds to Europe	At the Home Treasury of the Government of India.
(2) If he proceeds to any Colony named in the list in Schedule C.	In such Colony

1. Privilege leave allowances are not payable out of India; but in case an Officer leaving India should afterwards want his leave to be commuted, he should take with him a certificate as follows.—

PRIVILEGE LEAVE CERTIFICATE.

(*Name of, and designation of office held by, the Officer.*)

1 Government under which employed.
2 Date of beginning of Leave.
3 Date on which Leave will end.

CHAPTER XIV.—*continued.*

4 Whether Furlough or Special Leave is admissible on Privilege Leave being commuted, and if so, to what extent and on what terms.

(*Note.*—If Furlough or Special Leave is granted, the Leave Allowances admissible will not be paid out of India until the Officer produces a last Pay Certificate.)

(Place) (Signature)
(Date) *Accountant General.*

N.B.—Privilege Leave Allowances are not payable out of India.

2. An officer proceeding on Furlough or Special Leave out of India cannot draw his Leave Allowances at the Home or any Colonial Treasury unless he is provided with a Last-pay Certificate.

(*b*) If payment be taken at the Home Treasury it is made quarterly, and rupees are converted into sterling at the rate of exchange fixed, for the time being, for the adjustment of financial transactions between the Imperial and the Indian Treasuries. Unless otherwise arranged, this rate of exchange is also applied in the payment of leave allowances in a Colony. If any payments are made at a different rate, or, otherwise, erroneously, they should be adjusted in subsequent payments.

Exception. The Absentee Allowance of a Military Officer on Furlough out of India and drawn in England, who elected the Military Furlough Rules of 1868 before the 1st July, 1871, is paid at the rate of two shillings the Government rupee.

1. Payment is made from the Home Treasury as follows:—

On fixed Quarter-Days (namely, March 25th, June 24th, September 29th, and December 24th), a form is supplied on application to the India Office, containing—

(1) A life-certificate to be filled up in the manner directed on its face.

(2) A Cheque for the amount due (which is specified) for the Officer to fill up, and which may be cashed through any Banker.

2. If in any covenant or contract, dated before the 23rd day of November, 1871, with any Officer for service in India, it is provided that, in payments to be made under, or in pursuance of the contract, a pound sterling shall be considered an equivalent or equal to, and calculated after the rate of, ten rupees, any leave allowance which the Officer is, under his covenant or contract, entitled to receive in England, shall be converted into sterling at that rate. But if, in such contract, no provision is made for the payment of any allowances during leave, the aforesaid rate of exchange will not apply to any leave allowances.

3. If an Officer receives an advance of pay in England to enable him to return to duty in India, the advance will be recovered at the rate or rates of exchange fixed for the adjustment of financial transactions between the Imperial and Indian Governments for the year in which the advance was made. This Rule will also apply when an advance is made in England to a person appointed there, proceeding to India to join his appointment.

CHAPTER XV.

Last Pay Certificate and Warrant.

[*Note.*—This Chapter does not apply to Officers employed in the Public Works Department.]

159. No Officer (unless he has been newly appointed to the Service of Government) can begin to draw any pay or allowances at any treasury in India, or at the Home Treasury of the Government of India, without producing a Last-pay Certificate from the treasury where his pay or allowances were last disbursed, or from the Accountant General within whose jurisdiction this treasury is.

CHAPTER XVI.

Return to Duty.

[This Chapter does not apply to Military Officers subject to Military Rules, except in respect to Leave of Absence granted in the Civil Department.]

162. An Officer who remains absent after the end of his Leave is entitled to no allowance for the period of such absence, and ceases to have a lien on any appointment,

If his Leave was Furlough,—immediately; and
If it was Special or Privilege Leave,—after a week.

1. An Officer on Furlough or Special Leave in Europe may not return to India without obtaining the permission of the Secretary of State. He must apply for this permission at least three months before the end of his Leave. An Officer whose furlough was granted or has been extended on medical certificate is required to produce a certificate of fitness before he can be permitted to return to duty. Ordinarily, he must obtain this certificate from the Medical Board of the India Office, but, in special cases, particularly if the officer be residing at a distance of more than sixty miles from London, the Secretary of State will, at his discretion, accept a certificate from two medical practitioners in lieu thereof.

2. If a Local Government considers it inexpedient that an Officer should return from Furlough or Special Leave in Europe to duty in India, it should furnish a complete statement of the circumstances to the Secretary of State (in the case of the Government of Madras or Bombay, direct, or otherwise, through the Government of India), if possible, when the Furlough or Special Leave is granted, but, in any case, in time to enable the Secretary of State to take any measures that may seem to him necessary before the Officer would, in ordinary course, be permitted to return to duty. The report to the Secretary of State should reach the India Office, at latest, three months before the end of the Officer's Leave.

7. An Officer may not, without the permission of the Authority which granted him Leave, return to duty more than fourteen days before the end of Furlough or Special Leave.

[*Note.*—This Rule applies to a Military Officer subject to Military Rules; but, he must obtain permission to return to duty from the Local Government.]

INDIAN STAFF CORPS.

ROYAL WARRANT FOR THE FORMATION OF THE CORPS.

VICTORIA R.

WHEREAS it is expedient to provide a body of Officers for Our Service in India, by whom various offices and appointments hitherto held by Officers borne on the strength of the several Corps or Regiments of Our Forces in India shall in future be held; and whereas Our Secretary of State for India in Council has resolved to charge upon the Revenues of India the sum necessary to provide the pay, half-pay, and pensions of such body of Officers on the scale hereinafter contained, Our will and pleasure is that a Corps be formed in each of the Presidencies of Our Indian Dominions, to be denominated the Bengal, Madras, and Bombay Staff Corps respectively, to consist of such Officers as may be required for such employment, and are selected for such purpose by Our Governments in India, with the approbation of Our Secretary of State for India in Council.

* It is also Our will and pleasure that all Officers now holding, or who immediately before the commencement of their present unexpired Furlough may have held such appointments, and in future Officers belonging to any of Our land Forces serving in India, under the rank of Regimental Field Officer, who shall have served three years with a Regiment, of which two shall have been in India,* shall be eligible to enter such Staff Corps; but such Officers will not be permanently transferred to the Staff Corps unless fully qualified, and until they shall have passed such periods of probation as may be determined on for the branch of the Indian Service for which they may be selected. Officers will receive Commissions in the Staff Corps on their names being submitted to us by Our Secretary of State for India.

It is Our further will and pleasure that the promotion and pay of the Staff Corps shall be regulated as follows:—

1. Ensigns, when permanently transferred to the Staff Corps, to have the rank of Lieutenant. Other Officers to have the rank which they may hold in their Regiments.

2. Promotion in the Staff Corps to be governed by length of service.†

Officers after twelve years' service, of which four must have been in the Staff Corps, to become Captains.

After twenty years' service, of which six must have been in the Staff Corps, to become Majors.

After twenty-six years' service, of which eight must have been in the Staff Corps, to become Lieutenant-Colonels.

Five years' service in the Staff Corps as Lieutenant-Colonel to entitle the Officer so employed to the Brevet rank of Colonel.

3. Officers now in Staff employment in India, joining the Staff Corps on its formation, shall count their previous Staff service towards promotion to the following extent:—

One step of rank will be given to every Officer whose period of service would qualify him for it according to the above Rules. An interval of two years at least must intervene between each succeeding step.

4. Officers in the Staff Corps will be eligible for Brevet rank in common with the rest of the Army.

5. Officers of the Staff Corps holding Military appointments will take Military Command according to their Army rank, but Officers whilst holding only Civil appointments will not be entitled to assume such Command.

6. ‡ Exchanges may be allowed between Officers of the Staff Corps under the substantive rank of Field Officer and Regimental Officers of the same rank on the recommendation of the Indian Governments. Officers of the Staff Corps exchanging into a Regiment will become the Juniors of their Regimental rank.

7. The power of removing Officers from the effective List of the Staff Corps will be exercised by us through Our Secretary of State for India.

8. Officers of the Staff Corps will receive pay according to the following scale:—

	Whilst required to remain in India.				Out of India.

Captain	374	1	6	,,	0	10	6	,,
Lieutenant	225	12	0	,,	0	6	6	,,

Every officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Governments in India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold. Eventually a certain proportion of the senior Officers of the Staff Corps will receive Colonel's allowance.

---

* This portion of the Royal Warrant has been revised by another Royal Warrant, dated 2nd May, 1868, which declares that—"Our will and pleasure is that from and after the date of this Our Warrant, Officers of Our Land Forces serving in India, under the rank of Regimental Field Officer, who shall have served two years with a Regiment, of which one shall have been in India, shall be eligible to enter the Bengal, Madras, or Bombay Staff Corps."

† The periods of four, six, and eight years must be passed in the Staff Corps *in India*.

‡ Exchanges are now restricted to Officers under the rank of Captain

§ NOTE.—In order to entitle a Staff Corps Officer of the rank of Major-General to the unemployed pay mentioned in the Royal Warrant for that rank, he must have actually served not less than five years in the substantive rank of Field Officer—the above five years being inclusive of any time he shall have been obliged to pass upon half-pay or leave in consequence of ill-health contracted in the service (as established by a Board of Medical Officers), or in consequence of wounds received in action.

An Officer of the Staff Corps promoted to the rank of Field Officer by Brevet for service in the field, who shall continue to serve uninterruptedly on full pay from the date of his promotion by Brevet to the date of his obtaining the rank of Major-General, is entitled to the unattached pay of that rank, notwithstanding he may not have served five years, with the regimental rank of Field Officer with a regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31 Jan., 1859.

9. Officers of the Staff Corps will be allowed to retire on the following scale of pension,* provided that not less than half of the required periods of service shall have been passed in the Staff Corps:—

RATES INTRODUCED IN 1866.				
After 35 years' service in India	600	0	0	„
„ 38 „ „	750	0	0	„

Officers of Her Majesty's Indian Forces joining the Staff Corps will be entitled to pension under the Regulations of the Indian Service.*

10. Officers of the Staff Corps in England who may not wish to retire, but who are unable to return to India, and Officers removed from the effective List who may not be entitled to retire on the above scale of pension, will be placed on a half-pay list, provided they have served three years in India in the Staff Corps on the same rate of half-pay and on the same conditions as Officers of a similar rank in Our Army.

11. It is also Our will and pleasure that this Warrant shall be administered and interpreted by Our Secretary of State for India in Council, who shall be the sole and standing Authority upon the matters therein contained.

Given at Our Court at Windsor, this Sixteenth day of January, 1861, in the Twenty-fourth year of Our Reign
By Her Majesty's Command, (Signed) CHARLES WOOD.

CONDITIONS OF APPOINTMENT OF BRITISH OFFICERS TO THE STAFF CORPS.

Unless for special applicants, whose cases will receive separate consideration, each on its own merits, it is deemed inexpedient to admit Officers of Her Majesty's British Army to the Staff Corps, whose standing in the service exceeds seven years, or thereabouts.

The selection of Officers for the Staff Corps rests with the Governments in India. The promotion of Officers while on probation will go on in their respective regiments. Officers of the British Army, when permanently transferred to the Staff Corps, will be removed from the strength of the regiment to which they belonged. It is discretional with the Governments in India to employ the Officers of the Staff Corps, in such manner as they may think best, in the situations for which their respective qualifications may render them most fitted. The appointments and promotions in the several departments rest with the Governments in India, and will be made irrespectively of the rank which the Officers may hold in the Staff Corps.

Officers of British regiments which may be ordered home and embark before the completion of their period of probation may, with the sanction of the Government of the Presidency, be allowed to remain in India to complete that period.

Officers of Her Majesty's British Regiments are eligible for appointment to the Staff Corps of any Presidency, without reference to the Presidency in which their regiments may be serving, and they will be permitted to serve out their probation without reference to their regiments being in the meantime moved to another Presidency.

Application for admission to the Staff Corps, on probation, should be made to the Government, through, and with the sanction of, the Commander-in-Chief of the Presidency, and that of the Commander-in-Chief in India.

A candidate for appointment to the Staff Corps, on probation, must produce the following certificates of his Commanding Officer and the Surgeon :

Certificate of Commanding Officer.

Certified that of the regiment a candidate for the Staff Corps, has on this date completed years' service from the date of his first commission, of which years (or the whole period of which, as the case may be), was spent in India.

has passed the examination in the Native languages by the higher (or lower) standard, and has attained such a knowledge of his drill and duty as an officer of infantry (or cavalry) in all its branches as to qualify him for the command of a company (or troop) in all situations. He also possesses a fair knowledge of the Articles of War and of the Queen's Regulations, as well as of the Military Regulations of the Bengal (Madras or Bombay) Presidency, besides having gained some general acquaintance with the organization and nature of the duties of all branches of the army serving in Bengal (Madras or Bombay).

I further certify that during the period has served with this regiment, he has been attentive to his duty, and that his conduct has been in all respects unexceptionable.

I certify that, to the best of my belief, is in good bodily health, and apparently well capable of undergoing the vicissitudes of service in India.

Station and date. *Surgeon* *Regiment.*

The date of transfer of an Officer to the Staff Corps will be that of his appointment on probation, except in the case of an Officer who has gained promotion in his regiment during his period of probation; in that case, he is allowed to enter the Staff Corps from the day following his promotion, with the rank then gained.

Except under very special circumstances, the period of probation will be limited to one year,† at the end of which the candidate, if not qualified for admission to the Staff Corps, must be remanded to his regiment; and should his regiment be in England, he will be put on British pay from the date of failing to pass the final examination. If possible, he will be provided with a passage in a troop ship, but if none be available, then the actual expense of the passage and no more, will be paid to the agent of the vessel conveying the Officer to England. In no case will the period of probation exceed a second twelve months.

---

* For present rates of pension, see page lxvi.

† All leave, except privilege leave and leave to pass in the Native languages for admission to the Staff Corps, will be excluded from the year's probation.

A British Officer, on probation for the Staff Corps, proceeding on leave to Europe, is to be held to have resigned his probationary position and appointment. Should an Officer so circumstanced be placed on the half-pay list, he will cease to be considered as a probationer.

A probationer for the Staff Corps may at any time be allowed to withdraw his application, provided that he has not been actually admitted to that Corps by the Government in India.

As a general rule, a young Officer, on becoming a probationer, is appointed to do duty with a Native regiment.

On the completion of the year's probation, the candidate must produce certificates from his Commanding Officer (or the Officer under whom he has served) and from the Surgeon, similar to those obtained at the commencement of his probation; and he must pass an examination in the following tests, according to the nature of the duty or department in which he is to be employed.

On special grounds, but only when required for the convenience of the public service, examinations may be held at any time within two months of the expiration of the probationary year.

Should he be found qualified, he will be admitted to the Staff Corps, and to the appointment or department for which he has proved his fitness. The circumstance of an Officer being in the Staff Corps will not exempt him from passing departmental tests, should he be transferred from one appointment or department to another.

Officers of Line Regiments, in which the purchase system was in force up to the 31st October, 1871, who entered the service prior to the 26th August, 1871, and whose permanent appointment to the Indian Staff Corps shall appear in the General Orders of one of the Local Governments of India, on a date subsequent to the 18th March, 1868, and who, on the date of such permanent appointment (being the date of appointment as probationers for the Staff Corps), shall not have exceeded four years' service on full pay, from the date of first Commission, shall receive, on their names appearing in the "London Gazette" as finally transferred to the Staff Corps, the exact sum such Officers would have received, under War Office Regulations, had they retired from the service by the sale of their Commissions at the time of joining the Staff Corps as probationers.

Officers who have been appointed probationers subsequent to the 31st October, 1871, will be required to make and sign the declaration laid down in para. "C," clause 139, sec. 4 of the Queen's Regulations.

The young Officers who, on final transfer to the Staff Corps, may receive the value of their commissions, will, if appointed probationers on or after the 1st of July, 1870, be debited with the cost of their successors' passage to India, in the same manner as other Officers who are allowed to retire from British Regiments in India with the value of their commissions.

Officers who are entitled to the value of their first commissions should apply for it to the agents of the regiment to which they formerly belonged.

Officers who desire to enter the Staff Corps under the provisions of the General Order from the Horse Guards dated the 1st of May, 1868, must make their applications in such time as will admit of the requisite forms being complied with before the completion of their four years' service, as the Government cannot be responsible for any accidental delay, and applications for special consideration will not be received hereafter.

Officers joining the Staff Corps from the British Army must furnish a statement of their services duly vouched by their late Commanding Officers, showing in detail their actual service in India, and the periods of leave during such service, completed to the date of their transfer to the Staff Corps.

No Officers while away from their regiments as probationers for the Indian Staff Corps shall be permitted to retire from the service by the sale of their commissions, but such officers will still be eligible for such promotion in their regiments as may occur whilst they are probationers by or without purchase.

The claims to pension of widows and families of officers of the Staff Corps who may join from the British Army will be treated under the provisions of the Royal Warrant of the 1st May, 1878, or of such Royal Warrant regulating the grant of pensions to the widows and families of British officers as may be in force at the time being.

The Governor General in Council is pleased to notify that the Secretary of State for India, with the concurrence of His Royal Highness the Field Marshal Commanding-in-Chief, has sanctioned provisionally the appointment of officers from regiments serving elsewhere than in India as probationers for the Indian Staff Corps under conditions similar to those which were in force between December, 1878 and September, 1880, as modified by the orders quoted in the margin.

Horse Guards General Orders No. 117 of the 1st December, 1878, and No. 1 of the 1st January, 1882; and India Army Circulars, clause 95 of 1880, and clause 123 of 1881.

XV.—During the period of probation it will be open to the commanding officer of the native regiment to represent to the Commander-in-Chief of the Presidency to which the probationer belongs that he does not think that the officer, either from temper or other cause, is suited for employment with native troops; in which case the Commander-in-Chief in India, if satisfied with the reasons, will post him temporarily to a British Regiment in India, on the establishment of which he will be borne as a supernumerary, pending orders from His Royal Highness the Field Marshal Commanding-in-Chief.

XVI.—And the same course will be followed in the case of a probationer who may, during his period of probation, voluntarily resign Staff Corps service.

(The Royal Warrant of 11th March 1882, is the one now in force.)

39. The widows and families of Medical Officers are also entitled to pensions from the Indian Service Family Pension Fund, to which all Surgeons must, as a condition of their appointment, subscribe from the date of their arrival in India.

MILITARY FURLOUGH REGULATIONS OF 1796.

Officers (of whatever rank) must be ten years in India before they can be entitled (except in cases of certified sickness, and as hereafter specified) to their rotation to be absent on furlough, and the same rule is applicable to assistant surgeons and veterinary surgeons. The furlough to be granted by the commander-in-chief at each presidency, with the approbation of the respective governments.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay

Officers coming to England on furlough are required immediately to report their arrival by letter, with their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Medical Board appointed for that purpose, who will report their opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, viz.:—

I hereby certify, that I have carefully examined (state the nature of the case, as well as the name of the party), and I declare, upon my honour, that, according to the best of my judgment and belief,   is at present unfit for military duty, and that it is absolutely necessary, for the recovery of his health, that he should remain at least   longer in this country.

Also, previously to such extension of furlough being granted, such further proof shall be adduced by personal examination or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians, *in the above form*, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission either to return to their duty or to reside a further time in England.

In every case in which an officer has had his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 33 Geo. III. cap. 52, sec. 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the instruction of the Secretary of State for India in Council, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting colonels of regiments and general officers; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

MILITARY FURLOUGH REGULATIONS.—Nov. 17, 1854.

With the view of adapting the regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them to deter officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following rules are established, and are to have effect from the 1st February, 1854:—

1. All regimental officers in the service on the 1st February, 1854, who prefer retaining what may be considered the advantages of the old regulations, may do so, provided they signify their wish to that effect when they next apply for furlough or leave of absence, without any limitation whether such leave be in India or elsewhere; and officers who once make their election will not be entitled to any other choice, but will be afterwards subject to the new or old regulations, according to their decisions.

2. Staff officers, as such, have not the above option allowed them, but they may retain the advantages of the old regulations by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.

3. To those officers who adopt them, the new regulations will apply retrospectively in respect of furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sic certificate, within or beyond India, will count for ser

vice to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules are allowed to reconsider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February, 1854, and who, consequently, may not have been called upon to declare whether they would abide by the old or the new regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new regulations.

FURLOUGHS ON PRIVATE AFFAIRS.

6. Every officer will be allowed a furlough to Europe, or elsewhere beyond sea, for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe, or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their first return to duty. (G.O. 16 June, 1856.)

8. All grants of furlough on private affairs are subject to the exigencies of the public service, and to the regulations framed for and preservation of the efficiency of each regiment by limiting the number of absentees.

9. Officers holding staff or other detached appointments, may be allowed furlough for a period of six months without losing their appointments; but, during that period, they will not be entitled to any portion of their staff salary, which will be drawn in full by the officers officiating for them.

Absence for six months under this rule does not preclude an officer from taking his furlough to Europe after ten years' service. (G.O. 16 June, 1856.)

10. All officers, whether staff or regimental, while on furlough on private affairs, will be entitled to "Furlough Pay" only.

LEAVE OF ABSENCE ON SICK CERTIFICATE.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe, or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates, for further periods not exceeding eighteen months in the whole.

13. An officer holding a staff or other detached appointment, will be allowed to be absent on sick certificate in England, or elsewhere beyond sea, for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the staff salary of his appointment, the officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

14. An officer's claim to half staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of command allowance, medical staff salary, or other similar allowance, which under the old rules was inadmissible to officers absent from their corps or stations, at the Cape or elsewhere, will be allowed to absent officers under these regulations.

16. All officers, whether staff or regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian pay and allowances as was allowed under the old regulations to officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued; but under no circumstances for a longer period than three years altogether, from the commencement of the absence.

STAFF OFFICERS.

18. The term, "staff officers," applies to all officers holding staff or detached appointments, military (general or regimental), political, or civil; also to general officers commanding divisions, members of the Medical Board, superintending surgeons, and others who, under the old rules, were entitled to draw half staff allowance when absent at the Cape.

19. Staff officers absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds to be sanctioned by the Government of the presidency. Any such special grant of leave is to be reported at once, with the reasons for it, and to be subject to approbation.

20. The privilege of retaining staff appointments during leave of absence on sick certificate, or on furlough on private affairs will not be available a second time, if the fresh leave is on sick certificate, until an officer has been three years, or, if on private affairs, until he has been six years, in the discharge of the duties of his appointment, from the date of last return to it.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding troops of Horse Artillery and Light Field Batteries, and officers generally in employment, will be allowed leave out of India under the same rules with respect to allowance and tenure of command or office, as regulated the grant of leave to the Cape to such officers under the old regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new regulations.

DATE OF FURLOUGH AND ADVANCES OF PAY.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the officer proceeds.

24. Advances of pay and allowances, staff and regimental, to officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for repayment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by officers obtaining furlough on private affairs.

25. The existing regulations regarding passage-money to officers are not affected by these rules.

26. The certificates issued to officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the presidency or port of embarkation, and to enable officers to rejoin their regiments or stations after their return to India, nor the leave of one month's absence in six months, as authorized by the regulations. The last pay certificate of all officers proceeding to England on sick certificate is to specify the rate of regimental pay and allowances and staff salary to which they would have been entitled under the old regulations if proceeding to sea on medical certificate. This information is necessary in order that no difficulty may arise in the Pay Department of the India Office in adjusting the several payments which may be due.

OFFICERS OF H.M.'S SERVICE.

27. Officers of Her Majesty's service in India, whether employed regimentally or in staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of officers of Her Majesty's service on furlough or sick certificate, in England or elsewhere, who may retire or exchange into regiments not on the Indian establishment, the grant to these officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

PERIODS OF ABSENCE ALLOWED TO BE COUNTED AS SERVICE FOR RETIRING PENSIONS.

29. In order that all officers quitting India on furlough or sick certificate may be placed on an exact equality as regards loss of time, the period allowed by regulation for proceeding to the presidency, or to the nearest port of embarkation, as well as the time to enable officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

30. No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders," is to be included all leave of absence, except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing regulations, and which are, in all cases, whether of regimental or staff officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by political and other authorities, which may not hitherto have been published in General Orders, must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their regimental rank (under the regulations of 1796), must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of captains and majors (under the regulations of 1835–37) must have served twenty and twenty-four years respectively; out of which time leaves of absence for two years in the aggregate, and not more will be allowed to count as service.

34. Officers to be entitled to retire as lieutenant-colonels must have served twenty-eight years; out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as colonels must have served thirty-two years; out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale for medical officers and veterinary surgeons of privileged furlough and leave of absence as counting for the retiring pension, will be as follows*:—

Years.	Months.	
1	8	in 17 & under 20 years' service
2	0	in 20 ,, 25 ,,
3	0	in 25 ,, 30 ,,
4	0	in 30 ,, 35 ,,
5	0	in 35 ,, 38 ,,
6	0	in 38 years' service.

37. It is to be distinctly understood, that under no circumstances whatever will an officer be permitted to retire on full pay until he has completed the *full time of service* above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local government, be taken at any time, subject to these regulations. If, therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an officer should be on furlough or sick certificate in Europe or elsewhere, he will be entitled to retire on the full pay of a captain without returning to India, and so in the other terms of service for the higher pensions. In like manner, a medical officer on furlough or sick certificate, in Europe or elsewhere, at the end of seventeen years' service, fifteen years and four months of which have been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These rules do not in any way affect the existing regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

INDIAN MILITARY FURLOUGH RULES OF 1868.

(WITH SUBSEQUENT ALTERATIONS).

GENERAL ORDER BY THE GOVERNMENT OF INDIA, DATED 25th FEBRUARY, 1874, No. 171.

The rules previously in force will be designated, as heretofore, the Furlough Rules of 1796 and 1854.

The following G. G. O.'s are cancelled prospectively from the 1st January 1875:—

G. G. O. No. 630 of 1869 (1st clause).
G. G. O. No. 627 of 1870.
G. G. O. No. 613 of 1871.

Rules apply to Officers of Staff Corps and Indian Army.

2. These rules are applicable to all officers who, on the 1st July, 1868, belonged to the several Indian Staff Corps, or to the Indian Army, and who have elected, or may elect, to adopt them: officers of the British Army who entered the Staff Corps after that date are of course subject to them.

Also to Officers of R. A. and R. E., late of Indian Army, when holding permanent non-regimental appointments.

(2) In regard to the periods of leave of absence during which appointments may be held, and in regard to the increased allowances, they are also applicable to officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature, and to such officers of the Engineers of the Imperial Establishment as may be permanently employed on the staff in India.

(3) But should an officer of the British Service, holding such permanent staff appointment, be allowed to proceed on leave under circumstances which, by these rules, would involve loss of appointment, he cannot take leave under them, but simply as a British Officer holding no appointment.

Do not apply to Invalid Officers.

3. These rules are not applicable to officers on the Invalid or Invalid Pension Establishment, even if previous to their transfer they should have elected them, being intended solely for officers on the effective list.

Nor to Regimental Officers of the British Service, even though formerly of Indian Army.

4. They are not applicable to Regimental Officers generally of the British Service, whether formerly belonging to the Indian Army, and now in the Royal Artillery, Royal Engineers, and new Line Regiments, or on the old Line Establishment.

NOTE (1.)—British Medical Staff Officers holding administrative appointments in India tenable for 5 years, who are compelled by ill health to return to England, will be allowed by the Government of India in the Military Department to proceed there to appear before a Medical Board, and if reported unfit for further service in India, will be removed from the Indian Establishment; if otherwise, they may be allowed by the Secretary of State for India 6 months' leave on medical certificate on their Indian allowances and half staff.

Such Officers are also eligible for 4 months' leave on private affairs without pay, but only one grant of leave will be allowed out of India during their tenure of office.

---

* For the periods allowed under Pension Regulations of 1881 see page lxvii.

NOTE (2).—All British officers holding Staff appointments in India, except the command of Divisions and Brigades, will be allowed, during their five years' tenure of office, only one grant of leave out of India either on medical certificate for six months with absentee allowances regulated under the furlough rules of 1868, or on private affairs for four months, with British pay, from Indian revenues. Any leave obtained in excess of either of these periods will involve loss of appointment.

Apply to R. E. Officers on the Imperial list, holding permanent non-regimental staff appointments.

5. They are applicable to Officers of the Royal Engineers on the Imperial Establishment, who are employed in the Public Works Department, or who are receiving a staff salary as on the fixed establishment of the Sappers and Miners; these will count service towards furlough from the date of their arrival in India.

(2.) These officers, therefore, and other Royal Engineer Officers of the Imperial list on permanent staff employ under the Government, will be entitled to a furlough of two years after eight years' service in India, or at the expiration of one year from the date of their return (for a second tour of service in India) on the completion of the prescribed home service after the first period of seven years' service in India.

(3.) Such Officers will be allowed an advance of passage money, or free passage in a troop-ship if proceeding in the trooping season; the advance to be refunded on receipt of the balance of furlough pay. The English rate of pay of their rank only will be passed to them during their leave; but at its conclusion, on their presenting an order for them to return to India, the difference between that rate and furlough pay, less the passage money they have received, will be paid to them in England conditionally on its refund, if the order to return to India is not carried out.

(4.) Those Royal Engineer Officers who arrived in India before the 1st July, 1872, are, however, not subject to the provisions of the preceding clause as long as they do not exchange Indian for home service, but draw furlough pay during furlough, as others.

NOTE.—Royal Engineers of the Imperial List may receive their pay while on furlough, either under the regulations in force before February, 1873, or under the terms of General Order No. 123 of 1873, that is to say, an officer of Engineers of the Imperial List may, at his option, on taking furlough to England, either receive furlough pay on the understanding that, should he not return to India, he will have to refund the difference between it and English pay, less the regulated amount of passage money, or a free passage and English pay only during the period of his furlough, the difference between English pay and furlough pay, less the cost of his passage, being issued to him upon his return to duty in India.

2.—The officer's choice should be made at the time of applying for furlough, and should be noted on his last pay certificate.

(5.) An officer of the British Service, holding permanent staff employ under the Government, who may proceed on furlough under circumstances which involve the forfeiture of his appointment, must obtain the furlough as a British regimental officer, and it will reckon as a portion of the aggregate eight years of furlough on pay to which an officer is restricted during his service by Rule XVI. But, on again becoming permanently employed, he resumes the right of obtaining furlough under these rules.

Previous service of Officers of the British Service who join Staff Corps, how reckoned towards furlough.

6. Officers of British Regiments who may join the Staff Corps can count as service towards furlough all their military service in India, provided that half of it (in no case less than four years) shall have been passed in the Staff Corps. But any leave to England they may have taken during service so counted will be reckoned as furlough already taken. Officers of the British Service who formerly belonged to the Indian Armies are exempted from the above proviso.

Rules apply to Warrant Officers with Hony. Commissions.

Their pay.

Warrant Officers without Commissions can take furlough on medical certificate only, under these rules.

7. These rules apply also to all Warrant Officers holding Veteran or Honorary Commissions, who may elect them; the period of service qualifying for furlough being calculated from the date of the attainment of a Commission. They will receive during furlough half their total receipts, calculated as laid down in Rule V., but without any reference to a minimum or maximum rate. Warrant Officers not holding Commissions can obtain furlough under these rules only on medical certificate.

(2.) Such furlough may be for two years with retention of appointment and half of the aggregate allowances; but any extension of such leave (which will not be granted for more than one year in excess of the two years) or any leave taken within less than three years from the date of last return to duty, will be on "English furlough pay." [See Note (1) to para. 9.]

Warrant Officers who were so before 19th February, 1869, to elect on first applying for leave.

8. Every Warrant Officer who attained warrant rank before the 19th February, 1869, and who has not made his election, will be required, on the first occasion of his applying for leave out of India, to state whether he desires to take the leave under these rules, or under those previously in force applicable to Warrant Officers, viz., G. G. O. Nos. 518 and 531 of 1854, G. G. O. No. 1559 of 1857, and subsequent orders. That election will be considered final.

(2.) Those who became Warrant Officers after 19th February, 1869, are subject to these rules, and cannot elect any of the previous rules.

(3). Leave on medical certificate on Indian pay and allowances to places eastward of the Cape, as allowed to Commissioned Officers under the Furlough Rules of 1796, is not in any case admissible to a Warrant Officer.

(4.) These Rules respecting Warrant Officers apply to Honorary Assistant Surgeons and Warrant Officers in the Medical Department.

Meaning of "Furlough Pay" and "English Furlough Pay."

9. The term "Furlough Pay" having now a changed and twofold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits specified in paragraph V. of these rules, converted at the rate of exchange fixed by the Secretary of State for the official year, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the rules of 1796 and 1854.

"English Furlough Pay" of Warrant Officers.

NOTE (1.)—Where in these Rules English furlough pay is mentioned as that to which an officer is to be restricted, the rates laid down in paragraph 11 of G. G. O. No. 69, dated 22nd January, 1868, and (for Medical Warrant Officers) paragraph 22 of G. G. O. No. 550 of 1868, are to be understood as intended in the cases of Warrant Officers.

NOTE (2).—Officers who *elected* these rules prior to 1st July 1871, or before G. G. O. No. 588 of 1871 reached their stations, will receive furlough pay at the exchange of 2s. the rupee.

RULES.

I.—The distinction with respect to allowances which has been hitherto drawn between furlough on private affairs and sick leave, is abolished, both kinds of leave being included under the general term *furlough*, provision, however, being made for the obtainment of furlough under medical certificate, without all the restrictions applicable to furlough when taken without medical certificate.

Assimilation of allowances on furlough on private affairs and medical certificate.

II.—Leave taken under the rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

2. Officers of the Staff Corps and Local Indian Service, and Officers on the General List, can retain their appointments during *all* leave of absence granted by competent authority. But their pay during such absence will be the same as they would obtain under these rules had this exemption from forfeiture of appointment not been granted.

Certain officers retain appointments during all leave duly granted.

NOTE.—The above Rule is applicable to all Military and Medical Officers taking furlough or leave under these Regulations.

III.—The Rules now prescribed do not affect the provisions of Act XXXIII. of George III., Chapter 52, Section 70*; but an absentee cannot retain his appointment and draw absentee allowances, except under the rules now prescribed. Nor do they affect the regulations by which General Officers Commanding Divisions and Brigades can only obtain limited periods of leave without forfeiting their Commands.

Absence from India for more than 5 years bars return to duty as formerly.

IV.—Leave of absence will in future be of three kinds, viz.:—

I.—Furlough in or out of India.
II.—General leave on private affairs or sick certificate in India, or short leave to sea.
III.—Privilege leave.

CHAPTER I.

Furlough.

V.—An officer drawing staff pay in addition to pay of rank, proceeding on furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office.

Furlough pay, how reckoned.

2. But an officer in civil employ and drawing consolidated salary, will be allowed 50 per cent. of the average salary drawn by him during the three years prior to his proceeding on furlough, or during his actual service in India should that be less than three years; and the time spent and the allowances drawn during any leave other than "privilege leave," will be omitted in the calculation of average salary.

3. No absentee shall in either case draw more than £1,000, or less than £250 per annum.

4. The term "salary" will signify the total amount drawn by an officer, whether as consolidated pay, or staff allowances in addition to pay, but will not include any extra or special allowances. But in the case of a military officer in civil employ, his acting allowances shall be taken into account as a part of his salary in calculating his furlough pay.

Meaning of term "Salary."

5. An officer absent on furlough, who may be transferred to another office during his absence, shall be entitled, for the entire period of his furlough, to furlough pay at the rate sanctioned to him when leaving India, whatever the salary of the office to which he may be transferred may be. This furlough pay will be continued to an officer in military employ after his return to India and until he joins his appointment, provided it is not less than the military pay, or pay and allowances, of his rank.

Pay of Officers transferred to other appointments during furlough.

6. But an officer whose term of office shall lapse, who shall vacate his appointment, or whose appointment shall be abolished during his furlough, will revert at once to the furlough pay which he would draw in virtue of his rank, as laid down below, in Section 8. Any case of sudden abolition of appointment may, however, be specially considered in the department of the Government under which the officer may have been employed. An officer will also be entitled to the benefit of his promotion to a higher Staff Corps or regimental rank, whilst on furlough, subject to the maximum limit.

Pay when the appointment lapses, or is vacated during furlough.

Pay of officers promoted during furlough.

7. Officers holding regimental medical charges will be allowed to retain such charges during the authorized periods of furlough, as if they were medical staff appointments. And the difference between the unemployed † grade pay of the officer holding the substantive charge and the consolidated salary of the charge will be considered the staff salary divisible between the absentee and the officer officiating for him.

Regimental medical charges retained during furlough.

† *G.G.O. No.* 1060 *of* 23rd *Dec.* 1864, *para.* 29.

G. G. O. No. 370 *of* 4th *April*, 1867, *para.* 9.

---

* The section referred to is quoted below:—

Section 70.—"And be it further enacted that no person who shall have held any civil or military station whatever in *India*, in the service of the said United Company, being under the rank or degree of a Member of Council or Commander-in-Chief of the Forces, and who, having departed from *India* by leave of the Governor-General in Council, shall not return to *India* within the space of five years next after such departure, shall be entitled to any rank or restoration of office, or be capable of again serving in *India*, either in the *European* or Native Corps of Troops or in the civil line of the Company's Service, unless in the case of any Civil Servant of the Company, it shall be proved to the satisfaction of the Court of Directors that such absence was occasioned by sickness or infirmity, or, unless such person be permitted to return with his rank to *India*, by a vote or resolution passed by way of ballot by three parts in four of the proprietors assembled in General Court, specially convened for that purpose, whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless, in the case of any Military Officer, it shall be proved to the satisfaction of the said Court of Directors and the Board of Commissioners for the affairs of *India* that such absence was occasioned by sickness or infirmity, or some inevitable accident."

Minimum furlough pay.

8. **Officers not in staff employ will receive half the Indian pay of their rank, provided that an officer entitled to furlough shall in no case receive less than the above minimum of £250 per annum.**

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

All furlough on private affairs subject to the exigencies of the service.

VI.—All grants of furlough on private affairs are subject to the exigencies of the public service,—of which exigency the Government is to be exclusively the judge,—and to any regulations that may be found necessary for limiting the number of absentees.

Applications of officers who cannot be spared need not be forwarded.

NOTE.—It is therefore within the competency of local Governments and of the Commander-in-Chief to decline to forward the application of any officer whose absence would, in their opinion, be detrimental to the interests of the public service, until such time as arrangements can be made for removing the difficulty; and it is the duty of the head of every department to decline to forward any application for furlough, whenever the services of the officer cannot be spared without risking the efficiency of the department, any doubtful case being referred for the orders of Government.

Furlough on private affairs limited to two years at one time.

Extensions of such furlough.

VII.—The maximum amount of furlough on private affairs to be taken at any one time, carrying pay and retention of appointment, will be two years: any extension of such furlough will be without pay unless it is on medical certificate, see Rule XIII. (But see Notes (3) and (4) Rule IX.) And no extension on private affairs beyond two years will be granted, though without pay, except upon satisfactory evidence of very urgent necessity.

Three years' service to intervene between two furloughs.

VIII.—A period of at least three years' service after return from last furlough, except furlough for a period not exceeding six months under Rule XI. (and excepting also, in the case of an officer in civil employ, *ordinary furlough not exceeding three months*) must be completed before furlough can again be taken, unless obtained under medical certificate (see Rules XIII and XIV. and Note 3 of Rule IX.).

NOTE (1).—An officer in civil employ cannot reckon in this interval of three years any period of absence from actual duty, excepting those spent on privilege leave.

NOTE (2).—Although furlough not exceeding 3 months taken by officers in civil employ is not considered as furlough requiring an interval of 3 years' duty, such furlough will be excluded from the period of 3 years' service required between two furloughs.

Exception in cases of officers ordered out on field service.

2. But an officer who may be *ordered* to return to duty before the completion of his furlough for the purpose of proceeding on field service may be allowed to take the balance of such furlough at any time.

Period of service qualifying for furlough.

IX.—An officer will be eligible for two years' furlough on the completion of eight years' actual service in India (see para. 6 of this order); for a third year after a further period of six years' actual service, and for a fourth and fifth year after similar intervals of six years, and so on, up to the maximum prescribed in Rule XVI. The grant of furlough to an officer eligible for it will be subject only to the conditions specified in Rules VI. and VII. But see notes to this Rule.

Furlough without "furlough pay" not reckoned as "furlough taken."

1 * Leave granted under these Rules, without furlough pay, will not reckon as furlough already taken in calculating the balance at an officer's credit, or as part of the total of eight years allowed as shown in Rule XVI, but all furlough with furlough pay, whether on private affairs or on medical certificate, taken under these Rules, will so reckon.

How far previous furlough bars furlough on private affairs.

2.* Furlough and leave previously taken under the Rules of 1796 or 1854, will count, as respects officers who have elected these Rules, as follows:—

Furlough on private affairs, with pay, taken under the Rules of 1796 or 1854, counts in all respects as furlough.

Leave on sick certificate, under the Rules of 1796, does not count in any respect as furlough.

Leave on sick certificate, with pay, under the Rules of 1854, counts as part of the maximum of eight years allowed under these Rules, but until the maximum thus made up be reached, this leave will not count as furlough already taken in determining the amount of furlough to which an officer is entitled.

Leave without pay under the Rules either of 1796 or 1854 does not count in any respects as furlough.

N.B.—Furlough on medical certificate with "Furlough pay" obtained by officers, under Rule IX, Note (1) of these Regulations, between the publication of G. G. Orders No. 171 of the 25th February, 1874, and No. 197 of the 1st March, 1877, will not be reckoned as "Furlough already taken" in computing the amount of furlough at the credit of such officers; but it will form part of the aggregate of eight years allowed to officers.

Furlough on medical certificate when on furlough pay.

NOTE (1).—An officer of less than eight years' service in India may obtain furlough not exceeding two years, on medical certificate, with furlough pay and retention of appointment, provided he has been three years in the Staff Corps, or—in the case of a Royal Engineer officer holding a permanent staff appointment, or an officer not in the Staff Corps—has served for three years in India.

Furlough on medical certificate when on English furlough pay.

NOTE (2).—If the officer has not been three years in the Staff Corps or served three years in India, as the case may be, he will receive "English furlough pay" only, and must vacate his appointment, unless entitled to retain it under Rule II.

NOTE (3).—This rule (in Note 2) and the proviso in Note (1), however, are not applicable to officers of the Indian Army who entered the new Line Regiments, or Royal Artillery, and subsequently the Staff Corps.

General Officers exempted from certain rules.

NOTE (4).—Unemployed General Officers of the Staff Corps or local service can be granted furlough without serving the intervals of three and six years, respectively, prescribed in Rules VIII. and IX., and they can remain in Europe after they have exhausted the full period of furlough allowed during an officer's service by Rule XVI. (eight years on the whole) on the English furlough pay of their rank.

---

* As modified in G. G. O. No. 197 of 1st March, 1877.

NOTE (5).—And a Major-General of the Staff Corps—if he has so much furlough at his credit, and proceeds to England within a year of his being promoted to that rank, or of his ceasing to be employed—can continue, after the expiration of the two years' furlough to receive half his Indian pay until he completes the period of three years during which he would be entitled to draw his Staff Corps pay if he were in India.

Service on duty in England, how reckoned.

3. If an officer appointed to any *duty* in England draws his Indian allowances, with or without any portion of his staff salary, he can count the period of such employment as service towards furlough; but if he is appointed to an office in England to which a fixed consolidated salary is attached, he cannot reckon the time of such employment as service towards furlough.

Furlough may be taken by instalments.

X.—An officer eligible for furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of furlough for which he may be eligible.

Illustrations.

Furlough at credit, how determined.

1. An officer who has served nine years in India is entitled to two years' furlough: he takes only one year, and after his return remains in India for five years.

He is then eligible for two years' furlough as follows:—

Total service in India	14 years.
Furlough due on that service	3 ,,
Furlough already taken	1 year.
Balance for which he is eligible	2 years.

2. An officer who has served 20 years in India without taking furlough is entitled to four years' furlough He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

NOTE.—An officer is said to have furlough at his credit,—even though he may not be able to obtain it owing to the number of absentees, or other causes,—when the calculation of his service, as in illustration 1 above, shows a "balance for which he is eligible."

Furlough on urgent private affairs when granted.

* XI.—Furlough on urgent private affairs for six months on pay equivalent to the British regimental pay of his rank, may be granted when the officer has less than six months' furlough at his credit, or when from other causes, *e.g.* the number of absentees, or his not having served three years since his last return to duty, he is not able to take it. The said period may form part of the periods of either eight or six years referred to in Rule IX., and also—except in the case of an officer in civil employ, see Rule VIII.(Note 1)—of the three years which are required to intervene between two periods of furlough by Rule VIII.

Extended beyond six months only on medical certificate, when its advantages are lost.

2. This leave cannot be given in extension of any furlough, neither can it be extended beyond the six months unless on medical certificate; in which case the whole of the leave will be considered as if taken under Rule XIV., clause 1.

NOTE.—Ill-health is not considered as warranting furlough under this rule to any officer who under the provisions of these rules can obtain furlough on medical certificate without forfeiting his appointment.

Special permission needed for change of residence from England to India and vice versâ during furlough.

Reports, &c., required.

XII.—Subject to State considerations, there will be no restriction as to the places to which an officer may resort during furlough. But, if he desires to spend in England the rest of a "furlough in India," or *vice versa*, he must obtain permission to do so from the Government of his Presidency, or from the Secretary of State for India, as the case may be; and on landing in either country, he must report his arrival accordingly to the Military Department of his own Presidency, or to the India Office, forwarding a copy of the permission granted him to change his destination. He must also communicate his address. An officer who, on his return to India, reports his debarkation, without forwarding *at once* a copy of the permission granted him to change his destination, or submitting an application for such permission, will be considered to have returned to his duty.

Consequence of extension of furlough on medical certificate over two years.

XIII.—Furlough on medical certificate is obtainable as indicated in Notes (1) and (2) of Rule IX. and in Rule XIV. Absence on such furlough for a longer period than two years at one time will involve forfeiture of appointment. [But see exceptions in Rule II.] Furlough may, however, be extended on medical certificate up to a third year on "English furlough pay;" and an officer on furlough on private affairs, who may be obliged to obtain an extension on medical certificate, will be thenceforward entitled to the same advantages, and subjected to the same disadvantages as to retention of appointment, pay, &c., as if he had originally obtained furlough on medical certificate.

If he exceeds three years' absence on medical certificate, the officer may have to retire or go on half-pay.

2. In the event of an officer not being able to return to his duty after an absence of three years, it will rest with the Secretary of State for India in Council to order him to appear before a Medical Board, with a view to placing him on the retired list, if entitled to pension, or on the half-pay list.

Extension on medical certificate over three years to be without pay.

3. Should the circumstances of the case warrant a further extension of furlough, it can only be granted without pay.

Officers on medical certificate must be pronounced fit for duty before returning to India.

NOTE.—All officers, however employed, and whatever the amount of leave granted them may be, who leave India on sick certificate, are required to produce a certificate of fitness for duty before they can be allowed to return.

Consequences of furlough on medical certificate taken within three years of last return.

XIV.—An officer whose health may necessitate his taking furlough within three years from the date of last return from any furlough except that taken for a period not exceeding six months under Rule XI. (and excepting also, in the case of an officer in civil employ, *ordinary furlough not exceeding three months*), may obtain under the usual medical certificate, such amount as may be duly certified to be necessary for the restoration of his health; but he will receive only "English furlough pay," and must vacate any appointment he may be holding, unless entitled to retain it under Rule II.

---

* As modified in G. G. O. No. 922, of 31 Aug., 1876.

2. If, however, he shall have served three years since the date of his last return to duty, although there may be no balance of furlough at his credit, he will be entitled, on obtaining furlough on medical certificate, to retain his appointment and to receive "furlough pay," as laid down in Rule V., for the entire period not exceeding two years. Should the latter period be exceeded, he will come under the provisions of Rule XIII.

"Furlough at credit" bars furlough on medical certificate.

XV.—An officer entitled to furlough, or having a balance of furlough at his credit, whose health may necessitate his absence from India, must take the leave as furlough under Rule IX., but without forfeiting any passage-money to which he may be entitled under Military Fund Rules,—or, if a Subaltern, by Regulation, when proceeding on medical certificate.

Furlough on medical certificate when extended on private affairs.

2. Should the officer be declared fit for duty before the expiration of two years, he may be granted extension on private affairs up to that limit, provided that he has so much at his credit, and that if he remains he will not be in excess of the established proportion of absentees. Any extension *on private affairs* of such furlough beyond the said period of two years, must be without pay.

Furlough at credit must be exhausted before furlough on medical certificate can be given.

3. Any extension on medical certificate of furlough under this rule beyond two years must be on "English furlough pay" under Rule XIII.

Total furlough with pay, &c., in an officer's service limited to eight years.

XVI.—The aggregate amount of furlough with pay and retention of appointment, on private affairs and on medical certificate, that may be granted to an officer during his service will be limited to eight years.

Furlough not reckoned in this period.

NOTE 1.—This aggregate is calculated agreeably to clauses 1 and 2 of Rule IX.

NOTE 2.—Furlough allowed by proper authority to reckon as service for pension under the provisions of G. G. O.'s No. 1113 of 1857, and 95 of 1866, or in consequence of an officer's employment on any duty during his furlough, will not reckon as part of the aggregate period of eight years.

Date from and to which furlough is reckoned.

XVII.—If taken in India, furlough will be reckoned from the date of the absentee's quitting his station to the date of his return thereto; if taken out of India, from the date of the sailing of the vessel in which he may have embarked, to the date of his *bonâ fide* disembarkation in India for the purpose of rejoining his appointment or Regiment: the date of embarkation (or of the vessel's leaving the Sandheads if from Calcutta) and that of disembarkation also, are included in the furlough.

NOTE (1).—Prior to the 4th April 1870, and on or after the 14th Sept. 1874, the day on which an officer reports himself as having disembarked on return from furlough out of India, will be reckoned as service, and not as part of his furlough.

N.B.—As an illustration of this rule, it may be observed that a Madras officer's landing and reporting himself at Madras, *en route* to Calcutta to join his appointment in Bengal or the North-Western Provinces, &c., is not disembarkation in the sense intended by this rule.

Extension to cover excess over furlough how obtained.

NOTE (2).—To enable an officer who overstays his leave to obtain an extension, he should show that he took all needful precautions to insure his arrival in proper time, and if delayed by the departure of the vessel being deferred, he should obtain the certificate of the owner or agent that she had been *bonâ fide* advertised to sail from ——— on the ——— but that her departure had been delayed till the ———. See General Order No 52, dated 21st February, 1873.

Subsidiary leave.

Limited ordinarily to 30 days.

XVIII.—Subsidiary leave to embark for Europe or elsewhere on furlough will be granted for any period deemed necessary, not ordinarily exceeding 30 days. Leave up to the same limit, to enable him to rejoin on his return from furlough, will be granted from the date of his disembarkation in India. This applies equally to furloughs taken under Rule XI. The authority which has power to grant subsidiary leave can, on due cause being shown, grant any necessary extension of it, but this can be done only on very sufficient reasons.

NOTE (1).—The words "with the necessary subsidiary leave" will be added to the G. G. O. granting an officer furlough, and will be understood to mean both the leave granted before embarkation for Europe, and on return.

G. G. O. granting furlough has effect for three months only.

Detention when deemed a valid excuse.

NOTE (2).—An officer obtaining a furlough on private affairs or medical certificate must embark within three months of the date of the General Order which notifies it, or take up the first portion of his furlough in India until he embarks; if not, the General Order will cease to have effect. The only exception to this rule that can be allowed is when the officer is prevented from embarking within the three months owing to his detention in India by proper authority on *bonâ fide* public grounds. If, however, the officer does not, within a reasonable time, avail himself of the furlough given him, his subsequently being placed on duty rendering his detention necessary will not exempt him from the rule; and in every case of such detention the officer must at once report it, and he is not to embark after the expiration of three months until he has applied for and obtained from the Government of his Presidency an extension of the period.

An officer serving out of his Presidency may embark from it.

NOTE (3).—Officers who may be serving in other Presidencies than their own, if they desire to embark *bonâ fide* for Europe from the latter, may obtain subsidiary leave accordingly, and their furlough will reckon from the date of their embarkation at their own Presidencies.

Application for furlough, how submitted.

N.B.—For full information as to the submission of applications for furlough, see G. G. O. No. 34, of 11th January, 1869; G. G. O. No. 103, dated 26th January, 1869; General Order by the Commander-in-Chief, No. 135, dated 11 June 1870.*

---

* See also Bombay G. O. C. 269 of 1873.

NOTE (4).—The allowances of Military officers in civil employ during subsidiary leave, and after return to India until they rejoin their appointments, will be adjusted according to Civil Rules.

Leave preparatory to retirement.

NOTE (5).—Leave preparatory to retirement from the service does not reckon as service towards pension.

NOTE (6).—An officer unavoidably detained at the Presidency for passage in a troopship, beyond the usual subsidiary leave, shall count the period of such detention as subsidiary leave.

Pay issued monthly in India, quarterly in England.

XIX.—Furlough allowances are payable monthly if payment is taken in India, and quarterly if payment is taken in England.

Advances of furlough pay given in India only.

XX.*—Advances of furlough pay will continue to be made in India to those officers who desire it for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

Last pay certificate to show rate of furlough pay, &c.

XXI.—The last pay certificate issued to each officer who may be granted furlough, whether on private affairs or on medical certificate, will specify the rate of the pay and staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

Pay of officers acting for those on furlough.

XXII.†—An Officer acting in India for an absentee on furlough will be restricted, for the entire period that he may so act, to the half staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half staff salary of his own appointment, if he possess one. The aggregate staff salary granted to an acting officer in such cases will not be less than Rs. 100 per mensem, unless the full staff salary of the post in which he is officiating is less than that sum.

Pay of Warrant Officers acting for others on furlough.

2. A Warrant Officer acting for one of a higher grade on furlough receives half of the aggregate allowances of the absentee, added to half of the aggregate of his own allowances.

‡ NOTE.—The indulgence granted by the above rule is only allowed to one directly officiating in the place of the officer absent on furlough, not to one acting in the room of an officer who is himself acting for an absentee on furlough.

Periods of furlough, &c., counting as service towards pension.‡‡

XXIII.—The privilege heretofore granted to Military and Medical Officers who had elected the Rules of 1854, of counting certain periods of leave as service for pension, is retained, and is applicable to those who elect these rules subject (in the case of officers under the Rules of 1796) to the condition laid down in § 4 of Rule XXXIV.

Periods of furlough reckoned by Warrant Officers towards pension.

2. Warrant Officers obtaining that rank after the 24th August 1872, can only reckon as service towards pension the following periods of leave whether taken in or out of India:—

15 months in 12 years' Departmental Service.
20 ,, ,, 14 ,, ,,
24 ,, ,, 16 ,, ,,

3. Those who were promoted to warrant rank before that date are allowed to continue, if they prefer it, on the old rule, and reckon all leave in India as service, all out of India being deducted from their service, for pension.

XXIV.—On computing the furlough on private affairs to which an officer who has already enjoyed some portion of such furlough will be entitled, under these rules, it will be necessary to deduct the total amount of the furlough on private affairs of which he may have availed himself during his service from the total periods to which under Rule IX. he can lay claim. The balance within the limit of eight years' total furlough on private affairs and medical certificate laid down in Rule XVI., will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty. (See Sections 1 and 2 of Rule IX).

Furlough due, how ascertained.

Illustration.

(1).—An officer, who had obtained under the existing rules two years' furlough after ten years' service, returns to India on the date on which this order is promulgated. He accepts its conditions and serves four years longer in India. On the expiration of that term, he can take one year's furlough, thus—

Total service in India	14 years
Leave to which that service entitles him	3 ,,
Already enjoyed	2 ,,
Balance	1 year.

(2).—An officer of four years' service has proceeded on sick certificate to England for 20 months, extended afterwards to two years. He returns, serves six years in India, takes two years' furlough, and returns to India about the time of the promulgation of these rules, which he accepts. He must serve four years before he can take an additional year's furlough thus—

Chapter II.

General Leave on Private Affairs and Sick Certificate India.

XXV.—An officer will be eligible, as at present, to take leave on private affairs or sick certificate anywhere in India for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief or of the Government under which he may be serving. During the entire period of his absence on this account the officer will be entitled, as at present, to his full pay and a moiety of his staff salary. Leave taken under this rule will form no part of the eight years' aggregate furlough. If this indulgence should be taken advantage of for a third year consecutively the officer will lose his staff appointment unless entitled to retain it under Rule II.

Leave on private affairs or medical certificate limited to six months.

Pay as heretofore.

If taken for a third year consecutively, staff appointment forfeited.

XXVI.—Leave on sick certificate for a period exceeding six months, capable of extension, under renewed medical certificate, to a limit of one year, may be granted to any officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an officer is entitled in his entire period of service, but will not be regarded as furlough, nor will it affect the intervals entitling to furlough laid down in Rule IX. During this leave the absentee will draw a moiety of his staff salary in addition to the pay of his rank. But if the 12 months be exceeded, the whole leave must be reckoned as furlough, and allowances be adjusted accordingly.

If extended to one year on medical certificate reckons in the eight years of Rule XVI.

If extended over one year, reckons as furlough.

XXVII.—Short leave, not exceeding three months, on private affairs or sick certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as furlough.

Short leave (not exceeding three months) allowed heretofore.

XXVIII.—All general leave taken in India counts as part of the leave reckoning against service for pension.

Chapter III.

Privilege Leave.

XXIX.—Privilege leave may be granted, as at present, for sixty days in each year to all officers in military employ, without deduction from the salaries and emoluments drawn by them. General leave, in extension of privilege leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the officer proceeded on privilege leave. Privilege leave may, however, be converted into general leave with the sanction of the Commander-in-Chief or the Government.

Limited to 60 days in each year.

When extended.

Note (1).—Privilege leave for ninety days, after thirty-three months' duty, which may be spent anywhere, in or out of India, is admissible to Commissioned and Warrant Officers under these Rules; but to claim the privilege, it shall be necessary for an officer to show that he has had no privilege leave for thirty-three months previous to the date of his application, and that he has made satisfactory arrangements for the performance of his duties during his absence at no additional cost to the State. If leave for a shorter period than 90 days is taken, the balance is forfeited.

Note (2).—Officers are not required to report themselves to the India Office should they go to England, but it will be incumbent on them to keep their departmental superiors in India acquainted with their address.

XXX.—In the case of the stations noted in the margin, privilege leave may, as at present, be granted for ninety days to officers of local Corps, or of Corps which are usually employed in one or other of the districts named.

90 days allowed from certain stations.

Assam.
Shillong.
Erinpoora.
Deolee.
Khairwara.
Khotra.
Bunnoo.
Dera Ismael Khan.
Dera Ghazee Khan.
Rajampore.
Jacobabad.

Note.—The above rule is not applicable to officers of regiments moved in course of relief to any of the stations, or who are only temporarily employed there.

XXXI.—An officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave.

No restriction as to place.

XXXII.—Privilege leave cannot be taken in continuation of furlough, nor can furlough be obtained in continuation of privilege leave. If furlough be obtained by an officer while absent on privilege leave, the privilege leave will be converted into general leave, the officer for that period sacrificing a moiety of his staff salary.

Must be apart from furlough or other leave.

Military Officers in Civil Employ.

XXXIII.—Those Military Officers (including Warrant Officers who hold Honorary, Veteran, or Unattached Commissions) in Civil or Political employ who may elect these rules when they take leave in India, come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

NOTE.—Furlough *in India* is allowed under Chapter I of these rules to a Military Officer in civil employ, under the same chapter, by the Government to which he is subordinate; as also subsidiary, privilege, and examination leave under the rules in the Civil Leave Code; but under no circumstances will he be allowed any leave *out of India* under the Civil Leave Code, but under Military rules and by the Military Department.

When furlough *in India* is required by a Military Officer in civil employ, he must obtain from the Military Department, and submit to the Accountant General a "Furlough certificate;" and when furlough is granted by the Government to which the officer is subordinate, a copy of the order granting the furlough should be sent to the Military Department.

(2.) For subsidiary leave, see Note (5) of Rule XVIII.

Subsidiary Rule.

Election of these rules to be final.

XXXIV.—Officers of the Indian Military and Medical services will be required generally to notify their intention to accept these rules or to adhere to those now existing, on the first occasion of their taking furlough or general leave after the publication of this order. Such election must be considered final, and under no plea whatever will an officer be subsequently relieved from the choice thus made.

Fund subscription during furlough.

2. Officers going home under these Rules will pay English rates of subscription only to the Military Fund.

Benefits allowed to those who elect existing Rules.

3. Officers who may determine to abide by existing Rules will be allowed to proceed on furlough on the conditions laid down in Rules VII., VIII., and XIII. to the extent to which they may be entitled under the Furlough Regulations of 1854, or of 1796, whichever of the two they may have elected, and on the rates of pay contemplated in those Regulations, but retaining their appointments. The principle laid down in Rule XV. must, however, be applied in those cases.

Previous service of officers under 1796 Rules how reckoned.

4. If an officer under the Furlough Rules of 1796 elects the present Rules, his service for pension will be reckoned under the former Rules up to 1st July, 1868, and thenceforward under the Rules of 1868; and the fact of the officer having been on furlough on 1st July, 1868, and not then having elected the Rules of 1868, will not affect the case. All periods of leave out of Indian limits taken previous to 1st July, 1868, will be wholly excluded from his service for pension; but he may reckon towards pension periods of leave taken subsequent to that date, according to the length of his service counting for pension, as shown in Rule XXIII.

Retirement under 1796 Rules not affected.

5. His election of these Furlough Rules in no way affects his right to *retire* under the Pension Rules of 1796.

FURLOUGH AND LEAVE RULES OF 1875.

(WITH SUBSEQUENT ALTERATIONS.)

G.G.O. No. 1,316, dated 30th December, 1875.

I. Officers included in Schedule A may receive, after five years' service in India or under the Government of India, one year's furlough, and an additional year for each subsequent five years' service. Furlough not taken at the time it becomes due is not lost, and can, subject to these rules, be taken later.

NOTE.—Service for furlough under these rules, in the case of an officer *electing* them, is reckoned from the date of his *election*. (See also Notes 2 and 3 to Schedule A.)

II. An Officer may receive at any time any portion of the furlough to which he is entitled; but, except under Rule 8, he may not be absent from duty on any ground for more than three years consecutively; nor, on return from furlough, may he receive, except under Rule 6, any further portion of the furlough to which he is entitled until after the interval of two years.

III. It must be distinctly understood that furlough is subject to the exigencies of the public service. Officers commanding regiments, and Heads of Departments, will forward no application for furlough unless able to satisfy the superior authorities that the Officer's services can be spared without any inconvenience to the public service.

IV. Furlough does not involve forfeiture of appointment, may be spent anywhere, and counts as service for pension. (See Rule VIII.)

V.[*] A commissioned Officer on furlough receives (up to, but not beyond, the sum of £1,000) a year) half the emoluments of his office, computed according to a rate of exchange to be fixed in each year by the Secretary of State; but in any case he does not receive less than £250 a year. The emoluments of his office include all pay, staff corps pay, staff salary, and Indian allowances he would receive in respect to it if he were on duty, and for the purpose of each payment his office is the office he fills on the day when that payment becomes due.

2. A Warrant Officer receives half the emoluments of his office, calculated in the same manner as those of Commissioned Officers, no Warrant Officer, however, receiving as furlough pay less than the English furlough pay of his rank.

VI. Upon certificate of a Medical Board, an Officer not entitled to furlough, if he has served not less than two years in India, may receive it for any period not exceeding two years; but such furlough will be deducted from his next accruing furlough until it is paid off. An Officer will not be allowed to anticipate furlough under this rule to an aggregate amount of more than two years.

NOTE [†].—An Officer of less than two years' service from date of coming under the new rules, falling sick, will be sent to England on medical certificate, on English furlough pay, without the period of his furlough being fixed, subject to the decision of Her Majesty's Government as to his ultimate disposal; a special report on each case being submitted to her Majesty's Government by the Government of India, or in the case of Officers of the Madras or Bombay army by the Government of those Presidencies. (See notes 2 and 3 to Schedule A.)

cept in the case of Officers invalided home for sickness due to wounds, or other cause, solely attributable to active service in the field) does not count as service for pension until it has been paid off as provided for in the rule; when due solely to active service in the field it is allowed to reckon as service for pension without being paid off as provided for under ordinary circumstances in the rule; but it does not count as service for furlough; *i. e.*, an officer obtaining it shall still be required to put in the full Indian service qualifying for furlough under the Rules of 1875, with the condition also that he shall complete two years' further service in India before availing himself of it.

[††] An officer serving under the Regulations of 1875, who has been allowed to count as service for pension any furlough taken under Rule VI., due to active service in the field, under the provisions of India Army Circulars, Clause 170 of 1881, and Clause 41 of 1882, may, should the circumstances of the case warrant the indulgence, be again permitted to anticipate furlough to an amount of not more than two years in all, under Rule VI. In all cases of the grant of furlough under the foregoing ruling a special report is to be made to the Secretary of State.

VII. An Officer who has exhausted the furlough obtainable under these rules, and who may be certified by a Medical Board to be still unfit for duty, will be placed temporarily or permanently on half-pay, according to the circumstances of the case.

VIII. Under very urgent circumstances, special furlough may be granted for private affairs, which need not be paid back; but it will be in all cases without any kind of pay, and will not count for pension.

Note[*].—The amount of leave which may be granted under this rule will be restricted to such period as the Government granting it is satisfied is actually necessary with reference to the urgency of the case.

IX. Advances for passage money, on need shown, will be granted to Officers on furlough, to be recovered in manner specified at the time of the grant; in India, at the discretion of the Local Government; and in England, at the discretion of the Secretary of State.

Note.—Officers proceeding on furlough to Europe may, if they desire it, receive an advance equivalent to three months' furlough pay.[†]

X. Leave may be granted for any period not exceeding six months at a time, and may not, except for very urgent reasons, to be specially reported to the Government of India, be renewed till after six months have elapsed from its expiration. It must be spent at some place east of the 40th degree of east longitude. Subject to these conditions, it may be granted or refused entirely at the discretion of the local authorities, who in granting it shall fix its duration, and may fix the limits within which it shall be spent, and whether during its continuance half-pay and allowances are to be deducted for the payment of a substitute; and they may grant it as preparatory to furlough, or for the purpose of a medical examination. Leave counts as service for pension and furlough. The local authorities shall be defined for the purpose of this rule by the Government of India.

XI. Leave and furlough are reckoned from and to the close of the days named in the order granting them.

XII. The position of Officers not included in Schedule A will be unchanged as respects leave or furlough.

XIII. Officers now in the service placing themselves, from a given date, under these rules, shall count service for pension up to that date under the rules to which they were then subject.

Note.—An officer takes with him so much service for pension as he had become entitled to under former rules. Under the rules of 1854 and 1868, two years' leave in twenty years' service counts for pension, but in periods of less than twenty years no leave counts. Therefore, if an officer now under the rules of 1854 or 1868, of twenty years' service, with two years' leave, elects the present rules, his service for pension will be twenty years; if an officer of nineteen years' service, with the same amount of leave, elects these rules, his service for pension will be seventeen years only.

Schedule A.

Officers entering the Staff Corps or Indian Medical Service, and Warrant Officers attaining that rank, after the 31st December, 1875; and

Any other officers, Commissioned or Warrant, belonging to the Indian Army or Medical Service, or Officers of the Staff Corps, who, after the 31st of December, 1875, shall, before asking for leave or furlough, apply in writing to their Local Governments to be placed definitively upon this Schedule; but their service for furlough under Rule 1 shall commence from the date of such entry or such application respectively.

Note 1.—The date of entry into the Staff Corps is that of entry for choice of furlough rules, viz., the date on which the Officer was originally appointed on probation. An Officer, therefore, whose date of admission to the Staff Corps is not after the 31st December, 1875, will have the choice of rules, but an Officer whose date of admission is after that date will have no option.

Note 2.—Officers compulsorily placed under these regulations on entering the Staff Corps, will be allowed to count their previous military service in India towards furlough, provided they shall have served five years in India, of which not less than half shall have been in the Staff Corps; but any leave out of India on private affairs taken by them during service so counted will be reckoned as furlough taken under Rule I, and any leave taken on medical certificate will be reckoned as taken under Rule VI.

Should, therefore, an officer, who took sick leave out of India whilst in the British service, again require leave on medical certificate on his admission to the Staff Corps, and proceed under Rule VI., he will be granted, in the first instance, only so much furlough as will complete the period admissible under that rule. This furlough may be extended to two years on "English furlough pay," but it will rest with Her Majesty's Government to determine whether any, and if so, what, extension shall be granted.

Note 3.[‡]—Warrant Officers promoted to that grade after the 31st December, 1875, and thus compulsorily brought under these rules, will be allowed to count their previous service for furlough under Rule VI.; but furlough is not to be granted under this rule until a Warrant Officer has completed two years' service since his last return to duty from furlough as a Non-Commissioned Officer, otherwise he can only be granted leave under the note to Rule VI.

Note 4.—An Officer electing these regulations, and having furlough to his credit under previous rules, forfeits such furlough absolutely, he being required to serve five years from date of such election to entitle him to one year's furlough, unless it be sick furlough. An Officer similarly circumstanced, but having furlough to his debit, is equally with the others entitled to take one year's furlough five years after electing the new rules.

Any Officers in civil employment declared by the Government of India to be under civil leave rules shall not be under these rules.

⁂ The last pay certificate issued to an Officer to whom furlough or leave has been granted shall state the pay to which, under Rule V, he is at that date entitled in respect to the office he is holding, noticing the date, if any fixed, at which he will vacate it.

SUBSIDIARY RULES.

With advertence to the foregoing rules, the Right Honorable the Governor-General in Council is pleased to notify—

I. That no "extra or special allowances" drawn by an officer, which are now excluded from the account in calculating furlough pay under the Rules of 1868, can be reckoned in calculating furlough pay under these Rules (Rule V).

II. That the Governments of the three Presidencies, or their Excellencies the Commanders-in-Chief, in regard to Officers serving directly under them, shall be held to be the "local authorities" named in Rule X.

III. That, pending further orders, a Staff Officer granted leave under Rule X shall receive, as heretofore, the pay or staff corps pay of his rank, and half the staff salary of his appointment during such leave; but full staff salary may be allowed him for the first two months (as now during privilege leave) when he makes approved arrangements for the performance of his duties during that period. In such cases the G. O. granting the leave must state that the first two months are to be on full staff pay.

NOTE 1.—Privilege leave for 90 days, after 33 months' duty, which may be spent anywhere in or out of India, is admissible to Commissioned and Warrant Officers under these rules; but to claim the privilege it shall be necessary for an officer to show that he has had no leave on full Indian pay and allowances for 33 months previous to the date of his application, and that he has made satisfactory arrangements for the performance of his duties during his absence, at no additional cost to the State. If leave for a shorter period than 90 days is taken, the balance is forfeited.

NOTE 2.—Officers are not required to report themselves to the India Office should they go to England; but it will be incumbent on them to keep their departmental superiors in India acquainted with their address.

NOTE 3.—No furlough or leave out of India, if exceeding six months, can be counted as part of the required 33 months' duty; but an officer who may have 33 months' service at credit before proceeding on such furlough or leave (in excess of six months) may be allowed to take accumulated privilege leave on his return, if he can be spared.

NOTE 4.—Warrant Officers proceeding out of India on privilege leave under Note 1 must deposit the amount of their return passage money, or give security for the payment of the same.

NOTE 5.—General Officers Commanding Divisions, Districts and Brigades are not eligible for the 90 days' privilege leave referred to in the above Note 1.

NOTE 6.—The "Staff Officers" referred to in the above Rule III apply to regimental as well as Departmental Staff.

N.B.—It is distinctly to be understood that the rule regarding the pay to be drawn on leave under Rule X is liable to be modified at any time in any way that the Government of India may deem expedient.

IV. Pending further orders these rules are not applicable to any Officer in civil employ.

7th December, 1877.

No. 1,102 of 1877.—His Excellency the Governor General in Council is pleased to notify the following supplementary regulations, which have received the approval of the Right Honourable the Secretary of State for India, providing for the case of Military Officers in Civil employ, referred to in paragraph IV. of the subsidiary rules appended to G.G.O. No. 1,316 of the 30th December, 1875:—

I. Any Officer now in Civil employ, who is subject to the Military Furlough Regulations of 1854 or 1868, shall remain so subject.

II. Any Military Officer who may hereafter enter Civil employ, who is not already subject to the Military Furlough and Leave Rules of 1875, shall remain subject to the rules applicable to him when he enters Civil employ.

NOTE.—An Officer referred to in Rules I. and II. cannot elect the Military Furlough and Leave Rules of 1875, so long as he continues in Civil employ.

III. Any Officer who may enter Civil employ, who is already subject to the Military Furlough and Leave Rules of 1875, shall be subject to the rules in the Civil Leave Code applicable to covenanted civil servants, both as regards furlough and leave taken out of India and in India.

IV. If any Officer, who is employed in the civil administration, has taken furlough in the Military Department under the said rules of 1875, this furlough shall be treated, in calculating the furlough or special leave admissible to him under the preceding rule, as if it had been furlough taken under the Civil Leave Code. Leave so taken under the 10th Military Rule shall be treated as if it had been privilege leave taken under the Civil Leave Code, and the claims of the Officer under the Civil Leave Code adjusted accordingly.

V. If an Officer, who has been subject to the rules in the Civil Leave Code under the third of these rules, is again employed in the Military Department, and so again becomes subject to the Military Furlough and Leave Rules of 1875, any furlough or special leave taken by him under the Civil Leave Code will be treated in calculating the furlough admissible to him under the said military rules, as if it had been furlough taken under the said military rules. Privilege leave taken under the Civil Leave Code Rules will be treated as if it had been leave taken under the 10th Military Rule. Subsidiary or examination leave taken under the Civil Leave Code will not affect the claims of such an Officer under the Military Furlough and Leave Rules.

ADVANCES OF PAY.

Rules regarding advances of pay to Officers under the Furlough Rules of 1868 *and* 1875 :—

Arrears.

13. Interest at the rate of 4½ per cent. per annum will be charged on arrears. Donations will become due from the date on which the liability is incurred, viz., on marriage, on promotion, or on the birth of a child; but interest will not be charged on sums paid within one month from the date on which they become due.

Reports of Marriages, Births, and Deaths.

14. An officer who is married at the date of his admission into the service must report the fact of his marriage at the time, and the names and dates of birth of his children, if any have been born to him. An officer in the service must report his marriage, or the birth of a child born in wedlock, or the death of a wife or child within one month of the occurrence, to the Examiner of Fund Accounts in the Presidency, or the Director of Funds, India Office, when an officer is in Europe. Forms for this purpose are given in the Appendix.

15. The birth of every child born alive must be reported; but if a child die before it is thirty days old, no payment in respect of it will be required.

15A. If the report of a marriage, or of the birth of a child, be not made within one month of the occurrence, the donation payable in each case will be increased 2½ per cent., and interest thereon charged from the date of marriage or birth of the child. After six months' delay, donations will be increased 5 per cent., and interest charged in the usual manner. (G.O.G G. No. 381 of 1877.)

15B. In the event of the report of a marriage or the birth of a child not being made by a subscriber during his lifetime, in accordance with the rules, the widow or child will not be entitled to any benefits. (Army Circulars, India, 1880, Clause II.)

Posthumous Child.

16. A pension will be granted to a posthumous child on payment of the donation prescribed in Table V., which may be recovered by 12 monthly instalments in India, or four quarterly instalments in England. The report of the birth of a posthumous child must be made in Form D., the last sentence being omitted.

Commutation of Contributions.

17. An officer who desires to complete his payments during the term of his service in India, so as to be exempt from contributions after his retirement, will be permitted to do so at rates to be determined by the tables appended to General Hannyngton's report, dated London, 7th June 1870, or by any other tables that may be hereafter substituted by the Secretary of State for India in Council.

18. An officer may at any time commute his future payments into a single payment, the amount of such payment being regulated by the same tables.

Duration of Pensions.

19. If a widow remarry, her pension will cease during coverture, but if she again become a widow she will be entitled to revert to her pension as widow of her first husband, or, if her last husband have been a contributor, to receive a pension at her option as the widow of her last husband. A widow can only receive one pension.

20. The pension of a male orphan is payable until he attains the age of 21 years.

21. The mother or guardian of a male orphan who has completed the age of 16 may, at any time thereafter (on application in Forms F to H. annexed to these regulations), have the residue of his pension commuted into a single payment, for the due application of which the mother or guardian will be held responsible. The following table gives the commuted values of such pensions:—

22. The pension of a female orphan continues until her marriage, and then ceases absolutely. It does not revive on widowhood.

Good Conduct.

23. The pensions provided under these regulations shall, in all cases, be held during good behaviour only, and will be withheld if any pensioner is found to be leading an immoral life, or on proof of any gross misconduct. The order of the Secretary of State for India in Council in any such case shall be final and conclusive.

Alienation of Pension.

24. A pension paid under these regulations may not be transferred or assigned, or in any way alienated, from the pensioner to whom or for whose benefit it is payable.

Passage Money.

25. An officer may, by a special contribution, provide passage money from India for his widow and orphans. The amount so secured will belong to the officer's estate, but will be primarily applicable to the provision of passage money and outfit for his widow and children. The amount secured must not exceed 1,500 rupees, and a health certificate must in every case be furnished by the subscriber. The value will be determined by the Tables in Major-General Hannyngton's report.

25A. The special contribution can be paid by monthly instalments not exceeding 24, the instalments in arrear bearing interest at 4½ per cent. per annum, and in the event of a subscriber dying before completion of the payment, the balance due at his death will be deducted from the sum insured.

Transfer to Her Majesty's Corps, and Officers who resign.

26. Officers who may be transferred from the Indian Staff Corps to Her Majesty's Line regiments, and officers who resign the Service, will be entitled to receive back such portion of their contributions as may be in excess of the risk borne during their membership, but they cannot continue subscribers.

Half-Pay.

27. Married officers placed on half-pay may receive back such portion of their contributions as is in excess of the risk borne during the term of their membership, or they may continue to subscribe at Indian rates (which can be paid in India) for full benefits, or at lower rates for reduced benefits. In the event of their return to full pay, they shall, in addition to the subscription of their rank, be required to pay such donation as the circumstances of the case may demand. Unmarried officers may continue to subscribe at the Europe rate of subscription, and will not be entitled to any refund in the event of their withdrawal.

Retired Officers.

28. Married officers who retire from the service on a pension may continue to subscribe at the Europe rate of subscription, or they may withdraw, receiving back such portion of their contributions as is in excess of the risk borne during the term of their membership; but the usual subscription will be deducted from the pension of all such officers until they shall have intimated in writing their intention of withdrawing. Unmarried officers may continue their subscription on the same terms as married officers, but will not be entitled on retirement to any refund in the event of their withdrawal.

Dismissed Officers.

29. An officer who is dismissed the service by sentence of a court martial, or by other competent authority, will cease, *ipso facto*, to be a contributor under these regulations, and will have no claim to any refund. His family will not be entitled to any pensions under these regulations.

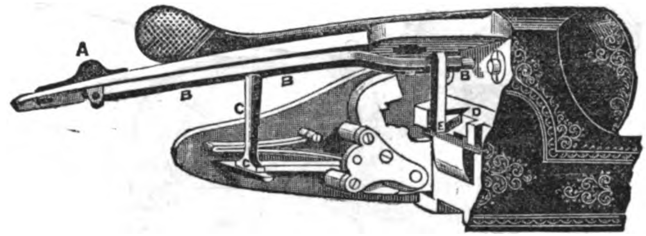
THE NEW PERFECTION HAMMERLESS GUN
Tolley's New Interposing Safety Bar.

The illustration shows an improved arrangement of the safety cross-bar with an additional *leg*, which locks the sears and triggers simultaneously with the placing the interposing *bar* in position of safety. Before the gun can be fired it is necessary to push forward the knob **A**, which releases the trigger and throws the projections on the safety-bar, clear of the tumblers, when the gun may be fired.

This improvement has the warm approval of the Editor of the "Field," who has commented upon it in his new book, "The Modern Sportsman's Gun and Rifle."



A is the Thumb-piece actuating the double safety.
B " Controlling Rod.
C " Leg blocking the Sears and Triggers.
D " a wedge-shaped recess in the Safety-bar.
E " wedge-shaped foot to the Controlling Rod acting on the corresponding inclination in the recess **D** and freeing the Locks for firing, by pushing the Cross-bar from safety position simultaneously with the releasing of the Sears and Triggers.

The Safety-bar travels in a dove-tail in the body of the action, and is quite enclosed by the lock-plates.

The Locks are the ordinary Hammer Gun Locks, which may easily be removed by any inexperienced person for cleaning purposes, unlike most Hammerless Guns in this respect, the Locks of which are buried in the woodwork.

Prices, £17 17s., £20, £25, £30, £35.

We are now making a New Top-lever "MEDIUM QUALITY HAMMERLESS GUN" with Automatic Safety-bolt, price £15.

SPECIAL ATTENTION GIVEN TO THE SHOOTING.

By Colonel G. B. MALLESON, C.S.I.,

Author of "History of the French in India."

8vo., with Portrait and Four Plans, 20*s*.

"Colonel Malleson has once more found a work worthy of his gifts. In the present volume he deals only with the first of the heroic triumvirate, and it is his intention to devote equal space to each of the others. When, therefore, the work comes to be finished, the public will have a really authentic history of Birtish India, covering the whole of the period from the laying of the foundation-stone to the virtual completion of the structure by Arthur Wellesley. . . . How this splendid edifice of empire was built up, with 'blood and iron' for the cement, forms a story which Englishmen should never tire of reading. Nor will many minds weary, we answer for it, over the graphic pages, full of life and fire, and vivid local colouring, in which the ablest of recent Indian historians tells the wondrous tale."—*Globe.*

"Few living travellers have a truer eye for the salient physical features, the ethnical relations, and political situations of the less-known Asiatic regions than the distinguished author of this pleasantly written volume. The work is full of instructive scenes, while the graphic descriptions of the peculiar Baluch scenery are abundantly illustrated by numerous artistic sketches from the pencil of General MacGregor. The accompanying sketch-map is on a large scale, and gives, for the first time, a correct idea of the water-partings and drainage systems in Sistan and West Makran."—*Academy.*

THE S'AKUNTALA' IN HINDI.

The Text of Kunwar Lachhman Sinh, critically edited, with Grammatical, Idiomatical, and Exegetical Notes. By FREDERIC PINCOTT, M.R.A.S. Cr. 4to. 12s. 6d.

"The student who has mastered this work with Mr. Pincott's notes will have only himself to blame if he does not find himself better able to understand the natives around him than he would have been after many years' study of the *Prem Sâgar* or similar unrealities. . . . . I cannot too highly praise this most admirable work, and hope that it may be widely known and used. There is no text-book of Hindi now in existence which can be for an instant compared with it."—*Indian Antiquary,* Nov. 1876.

"This is in every respect an admirable work. Mr. Pincott has gone the right way to produce a good text-book of Hindi, and has achieved very remarkable success. . . . . The notes are throughout lucidity itself, and every little peculiarity of idiom is faithfully, though somewhat too elaborately, explained."—Calcutta *Englishman,* 3 Oct. 1876.

"Had it even been ill-executed it would have deserved our warmest sympathy, inasmuch as it was an attempt to bring the conquerors and the conquered closer; but it also derives importance from its scholarly execution. . . . . The supplemental glossary and the explanatory notes are excellent, and are of real service to the reader. . . . . The notes are of special service to English-knowing readers, who desire to advance in their knowledge of Hindi."—*Indian Public Opinion,* 7 July 1876.

SIR,—I have much pleasure in testifying to the satisfaction that has been given by the Saddle that you made me nearly eight years ago. I have steadily used it in all weathers and on all occasions, and it is now nearly as good as new.

To Mr. G. Smith,
Saddler,
151, Strand, London.

Yours truly,
HARRY LEE,
Bengal Civil Service.

Mr. SMITH having been many years abroad, the goods that he supplies for Colonial use are only such as are suitable for that purpose; his experience has led him to construct a Saddle with a movable pannel, which can easily be removed for drying or re-stuffing, as no sewing or nails are used to fasten it. The pannel is in two parts, and is so made that a free current of air can pass between the Horse and the Saddle, thus keeping the back cool and free from galling. A Saddle made upon this principle is of great advantage to gentlemen living on Out-Stations abroad, the extra cost is 15s.; a Saddle is also made on the same principle with military fans behind, suitable for travelling, so that a large quantity of goods can be strapped on behind without inconveniencing the rider, the extra cost is 21s.

BROWN & POLSON'S CORN FLOUR

FOR THE FAMILY TABLE.

In the hands of an accomplished cook there is no known limit to the variety of delicate and palatable dishes which may be produced from BROWN and POLSON'S CORN FLOUR.

It is equally susceptible of plain and simple treatment for ordinary domestic purposes, and one of its chief recommendations is the facility with which it may be prepared.

Boiled with milk, and with or without the addition of sugar and flavouring, it may be ready for the table within fifteen minutes; or, poured into a mould and cooled, it becomes in the course of an hour a Blanc-mange, which, served with fresh or preserved fruit, will be acceptable at any meal.

Add sultanas, raisins, marmalade, or jam of any kind, and in about the same time it is made into an excellent Baked Pudding. To which may be added:—Take care to boil the milk, when so required, for *not less than eight minutes.*

DR. J. COLLIS BROWNE'S

Original & Only Genuine. **CHLORODYNE**

COUGHS, COLDS, ASTHMA, BRONCHITIS.

DR. J. COLLIS BROWNE'S CHLORODYNE. — Dr. J. C. BROWNE (late Army Medical Staff) DISCOVERED a REMEDY to denote which he coined the word CHLORODYNE. Dr. Browne is the SOLE INVENTOR, and, as the composition of Chlorodyne cannot possibly be discovered by Analysis (organic substances defying elimination), and since the formula has never been published, it is evident that any statement to the effect that a compound is identical with Dr. Browne's Chlorodyne *must be false.*

This Caution is necessary, as many persons deceive purchasers by false representations.

DR. J. COLLIS BROWNE'S CHLORODYNE. — Vice Chancellor Sir W. PAGE WOOD stated publicly in Court that Dr. J. COLLIS BROWNE was UNDOUBTEDLY the INVENTOR of CHLORODYNE, that the whole story of the defendant Freeman was deliberately untrue, and he regretted to say it had been sworn to.— See *The Times*, July 13th, 1864.

DR. J. COLLIS BROWNE'S CHLORODYNE is a liquid medicine which assuages PAIN of EVERY KIND, affords a calm, refreshing sleep WITHOUT HEADACHE, and INVIGORATES the nervous system when exhausted.

IS THE GREAT SPECIFIC FOR CHOLERA, DYSENTERY, DIARRHŒA.

The GENERAL BOARD of HEALTH, London, REPORT that it ACTS as a CHARM, one dose generally sufficient. Dr. GIBBON, Army Medical Staff, Calcutta, states: "2 DOSES COMPLETELY CURED ME of DIARRHŒA." *From* SYMES & Co., Pharmaceutical Chemists, Simla. *Jan.* 5, 1880.

To J. T. DAVENPORT, 33, Great Russell Street, Bloomsbury, London.

DEAR SIR,—We congratulate you upon the widespread reputation this justly-esteemed medicine has earned for itself, not only in Hindostan, but all over the East. As a remedy of general utility, we much question whether a better is imported into the country, and we shall be glad to hear of its finding a place in every Anglo-Indian home. The other brands, we are happy to say, are now relegated to the native bazaars, and, judging from their sale, we fancy their sojourn there will be but evanescent. We could multiply instances *ad infinitum* of the extraordinary efficacy of **DR. COLLIS BROWNE'S CHLORODYNE** in Diarrhœa and Dysentery, Spasms, Cramps, Neuralgia the Vomiting of Pregnancy, and as a general sedative, that have occurred under our personal observation during many years. In Choleraic Diarrhœa, and even in the more terrible forms of Cholera itself, we have witnessed its surprisingly controlling power. We have never used any other form of this medicine than Collis Browne's, from a firm conviction that it is decidedly the best, and also from a sense of duty we owe to the profession and the public, as we are of opinion that the substitution of any other than Collis Browne's is a deliberate breach of faith on the part of the chemist to prescriber and patient alike.—We are, Sir, faithfully yours, SYMES & CO., *Members of the Pharm. Society of Great Britain, His Excellency the Viceroy's Chemists.*

DR. J. COLLIS BROWNE'S CHLORODYNE is the **TRUE PALLIATIVE** in **NEURALGIA, GOUT, CANCER, TOOTHACHE, RHEUMATISM.**

DR. J. COLLIS BROWNE'S CHLORODYNE rapidly cuts short all attacks of **EPILEPSY, SPASMS, COLIC, PALPITATION, HYSTERIA.**

IMPORTANT CAUTION. The IMMENSE SALE of this REMEDY has given rise to many UNSCRUPULOUS IMITATIONS.

N.B.—EVERY BOTTLE OF GENUINE CHLORODYNE BEARS on the GOVERNMENT STAMP the NAME of the INVENTOR,

DR. J. COLLIS BROWNE. SOLD IN BOTTLES, 1s. 1½d., 2s. 9d., & 4s. 6d., by all Chemists.
